Greetings everyone! Eve began her cuckold class. I know that it is your first time being here and you have nothing to fear. Well, nothing yet. The room full of men, cuckolds, chuckled. Under your seats, you will find your cuckold guide that will answer pretty much any question you have about becoming a cuckold husband. The men in Eve's class reached underneath their seats and pulled out the guide book. My husband Jake will be going over some things with you, but it would be better if you read the book on your own to learn all about becoming a cuckold husband. Eve said, "This is my cuckold husband, Jake." Jake then took the floor. As my beautiful wife introduced me, I am Jake. I am proud to be a submissive and cuckold husband. There is a misconception of becoming a cuckold. Some people think it's a sign of weakness. But for me, it's a sign of strength. I take pride in my submissiveness. I work as a CEO in a multi-million dollar corporation. Every day I have to make decisions that affect

my company our clients and my employees I m the boss of over 2 000 employees I tell people what to do every day When I come home and I am away from the office I hate making decisions or being the boss That is why I leave all the decisions for our home sex marriage and personal life up to my gorgeous wife Eve Jake sipped some water and continued Most men like myself feel awkward with what is expected from them in the beginning When you begin this journey with your wife not to mention her lovers you want to please your wife and her lovers I didn t have much guidance I did a lot of research online and joined online groups of other cuckolds to get more of a grasp on exactly what being a cuckold entailed Jake then held up his guide book I created this guide book for all cuckolds just starting out or ones who have been doing it for a while Jake opened the book and flipped through some pages Inside you will find terminology tips stories and a lot of information I have put together for you Take it home read it and if you have any questions at all come back to next week s meeting and I will answer all that I can Thank you and have a good evening Everyone clapped Potential cuckold husband Reggie glanced through his book and saw all the information inside He couldn t wait to get home to open and begin to read the guidebook Once the meeting was over everyone said their goodbyes and Reggie went home and immediately opened his book since his wife was already asleep He was anxious to get started on becoming a cuckold husband to his wife Volume 5 I once saw a video of a cuckoldress preparing for her date Her husband was wearing a chastity device which seems to have become popular with the more dominant wives in a cuckold marriage these days The cuckoldress makes her husband prepare her bath and she has him bathe her While he is bathing her she is talking about how she is going to have fun with her lover that night Her cuckold husband gets excited but can t get an erection because of the device she has locked on him The physical and mental torture was very exciting to him and he was getting aroused by the minute as she continued to talk about all the things she and her lover were going to do to each other She went body part by part telling him how hard she was going to play As her cuckold husband shaves her legs and then her toy box area she talks about how smooth her toy box is and that she loves the fact that her husband is preparing her toy box for her lover to enjoy She taunts her husband about him not being able to enjoy and savor her freshly cleaned toy box that he will only be able to enjoy it after her lover has used her well Once her cuckold husband dries her off he lotions up her body lightly sprays her with expensive perfume that she only bought to wear for her lover
