stages and parks all over the planet MC's are able to connect with its audience in a way that the music alone cannot. Hip Hop via the MC has undoubtedly become the voice of a new generation. Much attention has been paid to the staggering impact hip hop music and culture has had on the greater American and world cultures, its influence on fashion, television, advertising, and the attitudes of the world's youth. However, not nearly as much attention has been paid to the social and political impact that the art form and its artists have had. Lyrics of a Rap Revolutionary is designed to transcend rap and venture into the realm of offering commentary and analysis into some of the deeper aspects of life itself. As one of rap's preeminent political and social groups of all time, front man Chuck D offers direct explanations and interpretations of what his lyrics are about as a tool to help set minds free in this hustle and flow and get rich or die tryin' times. Chuck D consistently ranked as one of the greatest rappers of all time will provide insight in the creation of Hip Hop iconic albums: 1988's *It Takes a Nation of Millions to Hold Us Back* and 1990's *Fear of a Black Planet*, both recognized among the greatest politically charged albums of all time featuring rap classics such as *Fight the Power*, *Don't Believe The Hype*, *Can't Truss It*, and *Welcome to the Terrordome*. As Chuck D explains, "We must remain mindful that there's a road to freedom and resist the embarrassingly popular trend that ignorance and a ghetto mentality which is cast upon us is our only food for thought or food for non thought." As MC's, we must become more responsible and revolutionary in our approach because we have young people around the globe listening to our every word and watching our every step. Lyrics of a Rap Revolutionary Times Rhymes Mind of Chuck D will clarify in a way similar to when a person rereads a book ten years after originally reading it and allow for a deeper understanding and further insight into the thoughts behind classic and controversial Public Enemy lyrics. Admirers proclaimed him the Bob Dylan or Bob Marley of rap. Los Angeles Times: One of the most politically and socially conscious artists of any generation. Spike Lee: Chuck D is the greatest voice in Hip Hop history as far as social commentary and rhymes for the upliftment of Black people. Chuck D is in a league of his own. Kool Moe Dee.
