Subcommittee on Postsecondary Education, Training, and Life-long Learning, 1995 Distributed to some depository libraries in microfiche *A New Vision for Early Childhood* Noah Hichenberg, 2024-12-23 This innovative and thought provoking book invites you to move away from strategies of control and toward relationships of trust with young children This book presents the conceptual foundation for this re framed relationship as well as pragmatic takeaways for parents and teachers of preschool aged children The book offers a concise critical history of early childhood which is then laid against the author's ethnographic research into the daily life of one 2 year old This unique and refreshing perspective offers intimate insight into the tension between the adult's desire for control and the child's capacity for resistance The author argues that when the adult child relationship is defined by control the child is faced with the same choice on repeat submit or resist Taking action in accordance with personal wants and needs typically requires transgressing adult

expectations For the child in today's hyper surveilled childhood to speak up is to resist Moving these ideas from research and theory back into preschools and homes A New Vision for Early Childhood is important reading for any preschool teacher leader or parent who wants to reconsider their relationship with children We can become allies instead of sheriffs working with children instead of against them

Questioning the Heiress Delores Fossen, 2008-07-01 It was just a day's work for Texas Ranger Egan Caldwell Except this time the victim of the crime was rich beautiful heiress Caroline Stallings Egan and Caroline couldn't be more different she was upper crust he was a lawman Yet this woman stirred feelings in him that refused to be ignored Problem was Caroline's memory had gone the way of Egan's willpower and her amnesia had attracted a killer Ensuring her safety was something he took very seriously But giving in to their distracting combustible attraction was the only chance Egan had of uncovering the secrets hidden in Caroline's mind before someone else did *Thought Process* Paul Quintavalle, 2008-09-16 Jamie Donnelly is a high school junior who leads a carefree idyllic life in suburban Southern New Jersey He has skipped through life relying on his quick wit good looks and natural intelligence His life changes suddenly when he suffers a cerebral aneurysm and then becomes the first person in the world to have revolutionary technology surgically implanted Jamie faces his ultimate challenge when he is forced to take on a powerful group of people including a presidential candidate who see the technology as a way to dominate US politics and business A diverse group of friends bring their individual talents to help Jamie as he is running for his life trying to solve the mystery of who is behind the conspiracy His ordeal forces him to grow from an immature teen to a resourceful responsible man who not only learns more about himself but gains a deeper appreciation of the people around him *Antipodes* Michele Bacon, 2018-04-03 When Erin Cerise steps off her plane in Christchurch New Zealand she's determined to overcome her losses of swim team captainship her boyfriend Ben and her reputation Her mother is certain studying abroad will regain Erin's chances of a good future Once Erin meets her uninspiring host family and city though she's not so sure Before Christchurch Erin wasn't always intense and focused When had her priorities gone upside down Now Erin balks at NZ's itchy school uniforms its cold houses and her hosts utter inability to pronounce her name correctly Christchurch does boast amazing rock climbing gorgeous scenery and at least one guy who could make her journey worthwhile if she lets him With months ahead of her Erin slowly begins to draw on the years behind her one step back into her memories at a time As she rebuilds herself from the other side of the world she finds that although her life has been turned upside down and she's far from home every way she moves takes her closer to where she came from
