Dorson, 1975 Authentic field recorded texts of over one hundred tales recited by story tellers from forty six cultures around the world collected as a representative sampling of the world's folk traditions. **Travel Around the World? Why Not?** Wolf Larsen, 2007-12-12 Travel Around the World Why Not is a thrilling novel closely based on Wolf Larsen's personal experiences traveling all over the planet. The adventures begin in Latin America when one morning Wolf spontaneously decides to take a journey all over the South American continent. Wolf then continues to travel around the world to Europe, the Middle East, and Asia. In Travel Around the World Why Not the reader experiences fascinating impressions of forty five countries across our planet. The humorous fast paced prose carries the reader through near death experiences, lustful romances, as well as unique insights into the countries that Wolf travels through. **Around the World in 10 Years: The Book of Independence** Pablo Rey, 2014-04-05 First we thought we could go around the world in 4 years. Then we were convinced that we could do it in 7. When we got to the sixth year of travel we felt that 10 was a good round number. Almost 20 years later we are still on the road. And there's still half the planet left to explore. I'll never forget that Monday when I put the barrel of a gun to my head and fired until I was out of bullets without stopping to think of what I was doing so I wouldn't have a chance to change my mind. It was my resignation to a future which I already knew, a farewell to a secure job, an adieu to a brilliant career in advertising, the microcosm where I had lived for the last twelve long years. It was ten minutes after ten in the morning and my last words were more or less keep the corpse I'm leaving. My body collapsed and I walked out the door. The Book of Independence is a journey through some of the world's worst backcountry roads with a 4x4 truck transformed into a house on wheels. **Worldwide Webb** Harry Dayle, 2018-01-11 *How To Shit Around the World, 2nd Edition* Jane Wilson-Howarth, 2020-09-22 International travel is rewarding and fun but sometimes it exacts a price. Activities we take for granted, eating, bathing, and going to the toilet, can range from challenging to risky in unfamiliar territory. In How to Shit Around the World Dr. Jane Wilson-Howarth takes a sympathetic and funny approach to the most basic human activity, interweaving hilarious anecdotes from fellow travelers with sensible tips and techniques. More than just a how-to, this book inspires the traveler to be adventurous in dealing with foreign toilets and to heed the fascinating cultural lessons to be learned from the simple act of using the bathroom. **Santa Claus Worldwide** Tom A. Jerman, 2020-05-25 This is a comprehensive history of the world's midwinter gift givers, showcasing the extreme diversity in their depictions as well as the many traits and functions these characters share. It tracks the evolution of these figures from the tribal priests who presided

over winter solstice celebrations thousands of years before the birth of Christ to Christian notables like St Martin and St Nicholas to a variety of secular figures who emerged throughout Europe following the Protestant Reformation Finally it explains how the popularity of a poem about a miniature sleigh and eight tiny reindeer helped consolidate the diverse European gift givers into an enduring tradition in which American children awake early on Christmas morning to see what Santa brought Although the names appearance attire and gift giving practices of the world s winter solstice gift givers differ greatly they are all recognizable as Santa the personification of the Christmas and Midwinter festivals Despite efforts to eliminate him by groups as diverse as the Puritans of seventeenth century New England the Communist Party of the twentieth century Soviet Union and the government of Nazi Germany Santa has survived and prospered becoming one of the best known and most beloved figures in the world
