Colleen Stan: The Simple Gifts of Life Jim B. Green, 2009-03-02 Throughout my captivity I was never told what was going to happen next or why This lack of knowledge was used by Master to maintain a continuous element of fear and control over me Anytime I was taken out of the box I never knew what to expect Fear of the unknown was always with me as I was kept in the dark both physically and mentally This lack of knowledge may have been a good thing in one sense If I had known the length of my entombment after returning from Riverside I'm not sure I would have survived Of course I'm not sure even Master knew how long he was going to keep me in the box A few days passed then a few more Then weeks passed followed by months Months slowly turned into years I would spend the next three years of my life 1981-1984 in the box sleeping dreaming and praying I have to assume my lengthy confinement in the box came about because Master was concerned he had given me too much freedom Maybe he felt he was losing control of his slave Too many neighbors had seen me and questions about my status in the Hooker household were surely to arise A fast thinking family member in Riverside may have copied down his vehicle tag number What if the police knocked on his door one day looking for Colleen Stan What if they searched the mobile home Would anyone think to look under a waterbed for the girl in the box Master wanted to keep me out of sight until the heat had passed The other reason for putting me into storage was Ma'am I'm sure she wanted me out of her life out of her children's lives and out of her husband's life Master was not ready to let his slave go Cloistering was the only answer My daily routine soon became predictive as I was allowed out late in the evening after the girls had gone to bed I emptied my bedpan drank a large glass of water and ate cold leftovers in the front bathroom Sometimes the leftovers

were true leftovers that had been out all day and the family didn't want *Killer Couples* Tammy Cohen, 2012-02-06 An exploration of the deadly dynamic that exists between men and women whose romantic obsession leads them to commit acts of bloody devastation Love and lust are among the most powerful of emotions but when a joint thirst for violence is thrown into the mix it creates the ultimate lethal cocktail These case histories raise the questions of what kind of love proves itself by brutality against innocents what warped ties of loyalty bind a lover to a mate who murders and how the balance of power between a couple can become so twisted that other people become irrelevant and worse disposable The couples in this book are ordinary people with an extraordinary secret murder In all their horrific detail readers will discover how their flaws and fantasies fused to create a monster that fed on the sadistic extermination of their victims *Am I Cactus?* Peter Vale, Six year old Erica is found unconscious under the road bridge at Rocky Crossing Victim of a brutal perverted assault she is rushed to hospital by helicopter and placed on life support With terrible injuries she is not expected to survive The little girl's father has been arrested The surrounding rural community is devastated and very angry However there is an unforeseen outcome to what really happened This story is about Erica's five year recovery *Against Their Will* Nigel Cawthorne, 2012-06-19 Real life accounts of harrowing abductions and resilient survivors from the author of Prince Andrew Epstein Maxwell and the Palace True stories of twisted criminals who hold their victims in endless captivity to satisfy their perverse desires *Against Their Will* is a comprehensive compendium of the most disturbing kidnappings of all time Jaycee Lee Dugard lived to tell the tale of her eighteen years of captivity in paroled rapist Phillip Garrido's suburban backyard Elizabeth Smart bravely held on for nine long months in a forced marriage to religious fanatic Brian David Mitchell who repeatedly raped her in the name of God Elisabeth Fritzl amazingly overcame twenty four years trapped in a basement dungeon built especially for her by her father Josef Colleen Stan heroically endured seven years as a sex slave brutally tortured with the full consent of her captor's wife Tina Marie Risico escaped certain death at the hands of a killer by being an unwilling accomplice in other kidnappings Not for the faint of heart Series TV **Murderers' Row** Robin Odell, Wilfred Gregg, 2011-10-30 Criminologist Robin Odell has compiled this gruesome gallery of cases from all over the world revealing the growth in serial slayings contract killings and middle class murders and investigating what motivates people to commit the ultimate crime As well as gangsters and ordinary felons the book includes doctors millionaires housewives children lawyers accountants officers and gentlemen who have succumbed to the killing instinct Behind the sensational names concocted by the tabloid press Boston Strangler Dracula Killer Night Stalker Granny Killer lurk real murderers committing acts of violence in circumstances often more bizarre than fiction Arranged in an easy to use A Z format the book contains over 500 cases from serial killers such as Dennis Nilsen and Ted Bundy to those such as Jeremy Bamber and Steven Benson who dispatched their parents for money from murderous New Zealand teenagers whose story made a successful film to the many doctors and nurses who took life instead of saving it from unsolved murders such as the murder of Little Gregory in France to the paid
