# I Willie Sutton

**Quentin Reynolds**

## I Willie Sutton:

I, Willie Sutton William Sutton, 1954      **Smooth and Deadly** Willie Sutton, Quentin James Reynolds, 1953      **I, WILLE SUTTON** Quentin Reynolds, 1953      Gangsters, Swindlers, Killers, and Thieves Lawrence Block, 2004-05-13 Presents a gallery of fifty of America's most notorious criminals from colonial times through the twentieth century with profiles of such outlaws as John Wilkes Booth, Jesse James, Bonnie Parker and Ted Bundy      *Really Bad Gangsters You Probably Never Heard Of* Curtis Shalo, 2020-05-14 short bios of the most ruthless evil mobsters from the turn of the 20th century through Prohibition and the Roaring Twenties      *I, Willie Sutton* Willie Sutton, Quentin Reynolds, 1993-03 The confessional memoirs of Willie Sutton, a criminal mastermind known for his intelligence, manners and dapper elegance, relates details of skillfully planned and executed bank robberies and daring prison escapes      **True Crime Philadelphia** Kathryn Canavan, 2021-11-15 Serial killer H. H. Holmes built his murder castle in Chicago but he met the hangman in Philadelphia. Al Capone served his first prison sentence here. The real-life killers who inspired HBO's *Boardwalk Empire* lived and died here. America's first bank robbery was pulled off here in 1798. The country's first kidnapping for ransom came off without a hitch in 1874. A South Philadelphia man hatched the largest mass murder plot in U.S. history in the 1930s. His partners in crime were unhappy housewives, Catholics and Protestants aimed cannon at each other in city streets in 1844. Civil rights hero Octavius V. Catto was gunned down on South Street in 1871. Take a walk with us through city history. Would you pass Eastern State Penitentiary on April 3, 1945 just as famed bank robber Willie Sutton popped out of an escape tunnel in broad daylight? Or you might have been one of the invited guests at H. H. Holmes hanging at Moyamensing Prison on a gray morning in May 1896. It still ranks as one of the most bizarre executions in city history. Or if you walked down Washington Lane on July 1, 1874, would you have been alert enough to stop the two men who lured little blond Charley Ross away with candy? You might have stopped America's first kidnapping for ransom, the one that gave rise to the admonition "Never take candy from a stranger." The case inspired the Leopold and Loeb kidnapping. Then there was the bank robber whose funeral drew thousands of spectators and the burglary defendant so alluring that conversation would stop whenever she entered the courtroom. Mix in murderous maids, bumbling burglars and unflinching local heroes and you have True Crime Philadelphia.      *On the Lam* Jerry Clark, Ed Palattella, 2019-09-17 Fugitives occupy a unique place in the American criminal justice system. They can run and they can hide but eventually each chase ends. And in many cases, history is made along the way. John Dillinger's capture obsessed J. Edgar Hoover and helped create the modern FBI. Violent student radicals who went on the lam in the 1960s reflected the turbulence of the era. The sixteen-year disappearance and sudden arrest of gangster James Whitey Bulger in 2011 captivated the nation. Fugitives have become iconic characters in American culture even as they have threatened public safety and the smooth operation of the justice system. They are always on the run, always trying to stay out of reach of the long arm of the law. Also prominent are the men and women who chase fugitives: FBI agents, federal marshals and their deputies, police.

officers and bounty hunters A significant element of the justice system is dedicated to finding those on the run and the most wanted posters and true crime television shows have made fugitives seemingly ubiquitous figures of fear and fascination for the public In On the Lam Jerry Clark and Ed Palattella trace the history of fugitives in the United States by looking at the characters real and fictional who have played the roles of the hunter and the hunted They also examine the origins of the bail system and other legal tools such as most wanted programs that are designed to guard against flight **KJV Standard**
