LANGUAGE TEACHING TO IMPROVE VOCABULARY ACHIEVEMENT: A Collection of Writings ISTIQOMAH P. RATU BANGSAWAN, 2020-04-16 In Indonesia where English is regarded as foreign language the teaching of this subject at most schools are still focused on the mastery of grammar and vocabulary Moreover the teaching and learning process is still using teacher centered approach Although there are four skills listening speaking reading and writing should be covered in the teaching of this subject but the fact some teachers are still reluctant teaching speaking into practice Therefore there is no improvement for both students who learn and teachers who teach and its application in the real world situation What students learn only what is printed on the books and practice it in front of the class The main problem usually comes from both teachers and students that they are non active speaking speakers But this can be solved by using Communicative Language Teaching Since the use of technology such as video television audiotapes the internet computer soft etc can come to aid of such teachers and young students Using Communicative Language Teaching CLT will Help students to use the target language in an authentic and meaningful way **The Routledge Handbook of Materials Development for Language**
