Llorens, 2024-01-18 You are in possession of one of humanity's most ever jealously guarded treasures This knowledge has been passed down not through written words but verbally through the ages Since ancient times men have insatiably searched for answers and during the early days of our consciousness on this planet we had a much purer mind and body which allowed us to discern things better with more agility and clarity during which we were able to gain awareness of how certain things work especially how we interact with ourselves and our environment The discoveries were amazing divine and magical to be conservative Those discoveries changed the course of humanity forever The knowledge was so powerful that it was never written in an effort to ensure that only a few would receive it verbally At a certain point these jealously guarded secrets were controlled by secret societies whose societies are composed of the most powerful individuals on earth called the elite class and the minority who believes that everyone should have access to this knowledge they decided to share it and now you have in your hands something very difficult to describe its true value With this knowledge if you apply it you have the power to transform your life forever Discover your inborn inherited Divine secret abilities within you With this knowledge and its power may you never be the same KT Respectfully and with true and honest love for your success Carlos A Llorens Estas en posesion de uno de los tesoros celosamente guardados de los humanos Este conocimiento ha sido transmitido no escrito sino verbalmente a traves de los siglos Desde la antiguedad los hombres han buscado insaciablemente respuestas y durante los primeros tiempos de nuestra conciencia en este planeta teniamos una mente y un cuerpo mucho mas puros lo que nos permitio discernir mejor las cosas con mas agilidad y claridad durante los cuales pudimos obtener la conciencia de como funcionan ciertas cosas especialmente como interactuamos con nosotros mismos y nuestro entorno los descubrimientos fueron asombrosos divinos y magicos para ser conservadores esos descubrimientos cambiaron el curso de la humanidad para siempre Esos descubrimientos permitieron a los primeros hombres iluminados ejercitar algunas de nuestras santas habilidades dotadas y lograr algunos de los mayores logros jamas

conocidos por la humanidad el conocimiento era tan poderoso que nunca fue escrito en el esfuerzo de asegurar que solo aquellos que demostraron poseer los requisitos previos los recibirían verbalmente a través de un proceso de tutoría. En cierto punto, esos secretos celosamente guardados fueron controlados a través de lo que hoy conocemos como Sociedades Secretas, cuyas Sociedades están compuestas por los individuos más poderosos de la tierra. Llamada la clase elite, esta clase se divide en dos partes: la mayoría, la cual cree que el resto de la población debe trabajar para ellos ya que saben cómo manejar el planeta; y la minoría, que cree que todos deben tener acceso a este conocimiento gracias a su amor por la humanidad. Decisión y voluntad de compartir este conocimiento ahora tienen en sus manos algo muy difícil de describir: su verdadero valor. Con este conocimiento y si lo aplicas, tienes el poder de transformar tu vida para siempre. Descubrirás los secretos de tus habilidades heredadas nacidas dentro de ti. De K T. Con este conocimiento y su poder que nunca seas el mismo.

Respetuosamente con amor verdadero y honesto por su éxito Carlos A Llorens **Faithwriters - in the Beginning**

Real change is an inside job. Learn the five fundamental steps necessary and pass it on to others. Your Devil Is Too Big Jeremy Burge, 2021-10-26 How do you allow

someone or something to become larger than life without knowing it? You consciously or unconsciously give it a title that is more grandiose than it deserves. As a society, this is what we have done with the devil. Your Devil Is Too Big takes aim at some of the areas of life in which we have unknowingly allowed the enemy to blind us from truth, construct lives that shy away from asking deeper questions and ultimately keep us under his control. To understand the battle, you must understand the enemy. Your devil is too big until you remember that God is bigger. Passing Through the Doors , *How to Guarantee Your*
