Translating the Literatures of Small European Nations Rajendra A. Chitnis, Jakob Stougaard-Nielsen, Rhian Atkin, Zoran Milutinović, 2020 The most detailed and wide ranging comparative study to date of how European literatures written in less well known languages try through translation to reach the wider world rejecting the predominant narrative of tragic marginalization with case studies of endeavour and innovation from nineteenth century Swedish women's writing to twenty first century Polish fantasy *Chronology of Portuguese Literature* Rogério Miguel Puga, 2020-05-15 This is the first Chronology of Portuguese Literature to be published in any language It presents a comprehensive year by year list of significant and representative works of literature published mainly in Portuguese from 1128 to the beginning of the current millennium As a reference tool it displays the continuity and variety of the literature of the oldest European country and documents the development of Portuguese letters from their origins to the year 2000 while also presenting the year of birth and death of each author This book is an ideal resource for students and academics of Portuguese literature and Lusophone cultures **The Oxford Guide to Contemporary World Literature** John Sturrock, 1997 opinion the Guide offers a discriminating and sometimes controversial view of a broad range of contemporary literatures **A Companion to Portuguese Literature** Thomas Foster Earle, Stephen Parkinson, Cláudia Pazos Alonso, 2013 This companion volume offers an introduction to European Portuguese literature for university level readers It consists of a chronological overview of Portuguese literature from the twelfth century to the present day by some of the most distinguished literary scholars of recent years leading into substantial essays centred on major authors genres or periods and a study of the history of translations It does not attempt an encyclopaedic coverage of Portuguese literature but provides essential chronological and bibliographical information on all major authors and genres with more extensive treatment of key works and literary figures and a particular focus on the modern period It is unashamedly canonical rather than thematic in its examination of central authors and periods without neglecting female writers In this way it provides basic reference materials for students beginning the study of Portuguese literature and for a wider audience looking for general or specific information The editors have made a principled decision to exclude both Brazilian and African literature which demand separate treatment STEPHEN PARKINSON CLAUDIA PAZOS ALONSO and T F EARLE are all members of the Sub Faculty of Portuguese at the University of Oxford CONTRIBUTORS Vanda Anastácio Helena Carvalho Buescu Rip Cohen T F Earle David Frier Luís Gomes Mariana Gray de Castro Helder Macedo Patricia Odber de Baubeta Hilary Owen Stephen Parkinson Cláudia Pazos Alonso Juliet
