Finding Rebecca English Edition:

Rebecca's Tale Sally Beauman, 2013-12-05 On the twentieth anniversary of the death of Rebecca the hauntingly beautiful first wife of Maxim de Winter family friend Colonel Julian receives an anonymous parcel It contains a black notebook with two handwritten words on the title page Rebecca's Tale and two pictures a photograph of Rebecca as a young child and a postcard of Manderley Rebecca once asked Julian to ensure she was buried in the churchyard facing the sea if she ended up in the de Winter crypt she warned she'd come back to haunt him Now it seems she has finally kept her promise Julian's conscience has never been clear over the official version of Rebecca's death Was Rebecca the manipulative promiscuous femme fatale her husband claimed Or the gothic heroine of tragic proportions that others had suggested The official story the truth has only had Maxim's version of events to consider But all that is about to change

The Middle English Metrical Paraphrase of the Old Testament Michael Livingston, 2011-09-01 Like the Bible upon which it is based the metrical paraphrase is unlikely to be a text read cover to cover by the faint hearted The Paraphrase is in several ways a remarkable artifact of the Chaucerian period one that can reveal a great deal about vernacular biblical literature in Middle English about readership and lay understandings of the Bible about the relationship between Christians and Jews in late medieval England about the environment in which the Lollards and other reformers worked about perceived roles of women in history and in society and even about the composition of medieval drama The Paraphrase poet's proclamation that he intends to write stories for sympyll men line 19 to understand the Scriptures and be engaged by them That men may lyghtly leyre to tell and undertake yt lines 23 24 thus combines the profit of sacred literature with the pleasure of the secular This is Horace's utile et dulce both useful and pleasing principle at its clearest a singular example of the didacticism that characterizes so much of medieval literature an aesthetic of pedagogic efficacy that is inseparably linked to the essential component of true pleasure in the text

Neumann-Holzschuh, Edgar W. Schneider, 2001-02-12 Basic notions in the field of creole studies including the category of creole languages itself have been questioned in recent years Can creoles be defined on structural or on purely sociohistorical grounds Can creolization be understood as a graded process possibly resulting in different degrees of radicalness and intermediate language types semi creoles If so by which linguistic structures are these characterized and by which extralinguistic conditions have they been brought about Which are the linguistic mechanisms underlying processes of restructuring and how did grammaticalization and reanalysis shape the reorganization of linguistic specifically morphosyntactic structures commonly called creolization What is the role of language contact language mixing substrates and superstrates or demographic factors in these processes This volume provides select and revised papers from a 1998 colloquium at the University of Regensburg in which these questions were addressed 19 contributions by renowned scholars discuss structural sociohistorical and theoretical aspects building upon case studies of both Romance based and English oriented creoles This book marks a major step forward in our understanding of the nature of creolization *The Skull*

become Christian If so did their conversion lead to freedom If not then how could perpetual enslavement be justified In *Christian Slavery* Katharine Gerbner contends that religion was fundamental to the development of both slavery and race in the Protestant Atlantic world Slave owners in the Caribbean and elsewhere established governments and legal codes based on an ideology of Protestant Supremacy which excluded the majority of enslaved men and women from Christian communities For slaveholders Christianity was a sign of freedom and most believed that slaves should not be eligible for conversion When Protestant missionaries arrived in the plantation colonies intending to convert enslaved Africans to

Christianity in the 1670s they were appalled that most slave owners rejected the prospect of slave conversion Slaveholders regularly attacked missionaries both verbally and physically and blamed the evangelizing newcomers for slave rebellions In response Quaker Anglican and Moravian missionaries articulated a vision of Christian Slavery arguing that Christianity would make slaves hardworking and loyal Over time missionaries increasingly used the language of race to support their arguments for slave conversion Enslaved Christians meanwhile developed an alternate vision of Protestantism that linked religious conversion to literacy and freedom Christian Slavery shows how the contentions between slave owners enslaved people and missionaries transformed the practice of Protestantism and the language of race in the early modern Atlantic world
