The True Christian Religion Emanuel Swedenborg,1833 **The Principles of the Leading Quakers Truly Represented, as Inconsistent with the Fundamental Doctrines of the Christian Religion** ,1732 **The Holy Mass** Michael Muller,2023-11-19 Reprint of the original first published in 1875 **The True Christian Religion, Containing the Universal Theology of the New Church** Emanuel Swedenborg,1856 *God of All Comfort* Scott Harrower,2019-04-24 How does God respond to trauma in a world full of horrors Beyond their physical and emotional toll the horrors of this world raise difficult theological and existential questions Where is God in the darkest moments of the human experience Is there any hope for recovery from the trauma generated by these horrors There are no easy answers to these questions In *God of All Comfort* Scott Harrower addresses these questions head on Using the Gospel of Matthew as a backdrop he argues for a Trinitarian approach to horrors showing how God in his triune nature reveals himself to those who have experienced trauma He explores the many ways God relates restoratively with humanity showing how God s light shines through the darkness of trauma **Nectar and Ambrosia** Tamra Andrews,2000-10-26 A publishing first Nectar and Ambrosia presents an encyclopedic treatment of the magic properties and uses of food by mortals and immortals alike from the pages of myth and legend Now for the first time the magic properties and uses of food by both mortals and immortals as represented in the world s myths and legends are brought together and explained in Nectar and Ambrosia This A Z volume is filled with an abundance of exotic lore and legend **The Hereafter** James Fyfe,1890 **Some historical considerations relating to the declaration on Kneeling, appended to the Communion Office of the English Book of Common Prayer: a letter addressed privately in 1858, to the ... Bishop of Edinburgh ... To which is added, a postscript of further authorities and arguments; including an examination of statements in a work and supplement on the Eucharist, by W. Goode** Thomas Walter Perry,William Goode,1863 *Treatises on Noah and David* St. Ambrose,2020-05-01 These sermons by Ambrose of Milan 340 397 AD provide a window into the preaching and scriptural exegesis of the legendary bishop whose exposition of the Old Testament was instrumental in the conversion of Augustine of Hippo and in the development of Latin theology In his treatise *On Noah and his two Defenses for David* Ambrose borrows from influential Greek theologians including Philo of Alexandria Origen and Didymus the Blind while developing his own commentary on the exemplary patriarchs Ambrose s exegesis typifies both his attention to the letter of Scripture as well as his spiritual and allegorical reading of the holy figures or saints who lived before Christ The first treatise presents Noah as a model just man as Ambrose pairs the literal and the higher or spiritual meaning of the Genesis flood narrative to address topics ranging from the Genesis narrative to Stoic ethics to the Incarnation In his defense of David to the emperor Theodosius Ambrose ties David s sin and repentance to his own close reading of Psalm 51 50 David s plea for himself in his famous *Miserere* While the authenticity of the third treatise included in the volume the *Second Apology of David* has long

been challenged recent scholarship suggests that it transmits Ambrose's own preaching which applies the lessons of David's life to the situation of gentile unbelievers Jews and the church even if it is the work of a later imitator the Second Apology is a compelling and systematic treatment of the David's sin and repentance as relevant to Christian morality and doctrine The three treatises previously unavailable in English translation broaden our understanding of exegesis in the Latin West and our interpretation of Ambrose as preacher and exegete

Rewriting Peter as an Intertextual Character in the Canonical Gospels Finn Damgaard,2015-09-16 Peter is a fascinating character in all four canonical gospels not only as a literary figure in each of the gospels respectively but also when looked at from an intertextual perspective This book examines how Peter is rewritten for each of the gospels positing that the different portrayals of this crucial figure reflect not only the theological priorities of each gospel author but also

their attitude towards their predecessors *Rewriting Peter as an Intertextual Character in the Canonical Gospels* is the first critical study of the canonical gospels which is based on Markan priority Luke's use of Mark and Matthew and John's use of all three synoptic gospels Through a selection of close readings Damgaard both provides a new critical portrait of Peter and proposes a new theory of source and redaction in the gospels In the last thirty years there has been an increasing appreciation of the gospels literary design and of the gospel writers as authors and innovators rather than merely compilers and transmitters However literary critics have tended to read each gospel individually as if they were written for isolated communities This book reconsiders the relationship between the gospels arguing that the works were composed for a general audience and that the writers were bold and creative interpreters of the tradition they inherited from earlier gospel sources Damgaard's view that the gospel authors were familiar with the work of their predecessors and that the divergences between their narratives were deliberate sheds new light on their intentions and has a tremendous impact on our understanding of the gospels
