ones who took over the flag of Islam after the Messenger of Allah PBBUH passed away and they kept it high and fluttering throughout the world Through them Allah elevated Islam and its followers from a position of weakness and obscurity to one of success and prominence We shall forever remain indebted to them and committed to follow their path tread in their footsteps and shape our lives according to their character and example

Sexuality and Islamic Spirituality in Early Malay Writings Maznah Mohamad, Syahirah Rasheed, 2025-07-24 It is argued here that before the extensive formalization of sharia laws from the late nineteenth century onwards Islam was prominently influenced by elements of enchantment and mysticism mirrored in its textual portrayal of passionate and sexual relations This book s analysis is based on Malay manuscripts and texts about the body sex and sexuality These include religious guidebooks on sexual techniques and etiquette of which some are translated from the original Arabic or Persian but almost all of which have been adapted for local Malay relevance Also analyzed are collections of Malay erotic poetry from the sixteenth to nineteenth centuries and the only known female authored early twentieth century text on sex and women s sexual pleasure Over the centuries changing sexual norms and attitudes in the Malay world has disengaged sex and sexuality from being a crucial component of faith and spirituality gradually receding into the discreet margins of contemporary discourse on gender relations

The Ten Granted Paradise Sayed Ammar Nakshawani, 2014-05-21 Dr Nakshawani in the following work not only corrects the widespread misconception that the Shi i intellectual tradition despises and curses all Companions but also clarifies the reason for which some Companions were

considered people of Paradise in the Shi'i and usually the Sunni tradition. In a few places the author notes reasons for which the Shi'i tradition does not venerate certain Companions. Discussing controversial history as it relates to Companions and the ahl al bayt remains a difficult enterprise where methods and premises let alone conclusions substantially differ from scholar to scholar. As an expert of the Shi'i tradition, Dr. Nakshawani presents relevant Shi'i narratives for non-specialists who would otherwise be unaware of them. Thus the following biographies fill a gap in knowledge about Companions not only revered in the Shi'i tradition but according to the collective memory of pro-Alid Sunni and Shi'i authors granted Paradise.
