F*CK Him! - Nice Girls Always Finish Single - a Guide for Sassy Women Who Want to Get Back in Control of Their Love Life Brian Nox, Brian Keephimattached, 2016-10 The MANipulator Manual Keep Your Man Interested and Begging for More Without Playing Games Let me start off by explaining I am in no way talking about the sexual act F ck him in this case is not physical it s mental So many women get in trouble in their love lives and 99 9 percent of that trouble could have been avoided if they d said Well f ck him a bit more often Too many women are way too nice and compliant to their men especially when these men don t deserve that kind of treatment And yet every woman I ve ever met tries to not be needy or wear her heart on her sleeve She simply wants to protect her feelings Nevertheless most women I ve coached have had men seem very interested only to disappear suddenly These women are left standing in the dark Once the guy vanishes they often find out it s easier to get the President of the United States on the phone than the man who seemingly really liked them just not enough to stick around This should stop I as a dating coach and author of books for women who want to get men cannot take it anymore You deserve better This is not your fault It s his He needs to learn to be much more transparent and upfront That said we both know most men won t change We can lead a horse to water but we can t make it drink Or can we What if there was a way to change a guy s behavior What if you could get into his head and take over the driver s wheel What if you could make him do more of the things that you appreciate and need and less of the bad behaviors you dislike At first this might seem impossible Nevertheless I m sure you ve already met women who are good at manipulating their men Enter the high value woman You know her You ve seen her She s the woman who always has great men drooling over her It s the woman you see getting all the attention You often wonder How does she do it What do they see in her What does she know that I don t You might have even complained to your girlfriends that men just don t seem to notice what a catch you are Your girlfriends may have even said He doesn t know what he s missing What if you could make him see it When you look at these high value women who get their way with men it might have surprised you that their looks don t seem to matter The high value woman can be great looking average looking or even bad looking It doesn t matter She knows her way around men She knows how to mentally f ck them Are you ready to implement her strategies You ll see behavior you ve never seen from him He ll start to put in an effort that makes you feel like you re a queen because to him you are At first it will be strange If you ve never truly been in control of a man it might feel like riding a horse for the first time But soon it will make you feel all tingly inside I m not kidding There s nothing more powerful than being in a relationship with a guy and having him do exactly what you want while he thinks it was his idea This is important as you ll see He needs to think he is the one in the driver s seat even though you actually are This book is not about becoming someone you re not or turning your boyfriend into a spineless manslave It s about your empowerment about taking back what s yours No man should ever be able to play games with you to take you for

granted to treat you even a tiny bit less than you deserve By the time you ve finished this book this will all be part of your past Are you ready Then hit the buy button at the top of this page and start your high value woman journey right away 21
