Thompson, 2003-04-07 This is a reissue of the novel inspired by Hunter S Thompson s ether fuelled savage journey to the heart of the American Dream We were somewhere around Barstow on the edge of the desert when the drugs began to take hold And suddenly there was a terrible roar all around us and the sky was full of what looked like huge bats all swooping and screeching and diving around the car which was going about a hundred miles an hour with the top down to Las Vegas
