Feminist Perspectives On Wife Abuse

Pauline B. Bart,Eileen Geil Moran

Feminist Perspectives On Wife Abuse:

Feminist Perspectives on Wife Abuse Kersti Yllo, Michele Bograd, 1988-04 Why do men batter their wives How do women define their experiences of violence Does a relationship exist between wife abuse and child abuse What responses do medical authorities have toward wife abuse A first of its kind this provocative volume brings together a well known group of academicians activists and clinicians from a variety of disciplines who approach these questions from a distinctly feminist perspective Their research is based upon the premise that gender inequality is the source of violence against women and that the social institutions of marriage and family are special contexts that may promote maintain and even support men's use of physical force against women In addition they critically analyze lay and academic theories of wife abuse in order to develop theories that more accurately reflect the experiences of women Feminist Perspectives on Wife Abuse has a number of strengths It challenges most explicitly the ideology of the safe home offers excellent critiques of the methodology of family violence research and considers the politics of research It is the only book under review that gives as much attention to the question of why men assault as it does to how women respond It also emphasizes methods clinical practice and how to bridge research and practice I especially recommend Feminist Perspectives on Wife Abuse for courses on methods I have used it there with great success Gender Society Must be on the bookshelf of every serious thinker in the family violence area Richard J Gelles University of Rhode Island Neatly balanced between research and practice this volume addresses the challenge of how we can maintain a feminist perspective in our work with battered women The major strength of this book is its self reflective nature The book goes beyond critiques by addressing the complexity of bringing feminism into research and practice and presenting ways in which it can be dealt with It also demonstrates the great rewards that result from addressing this complexity rather than trying to manage it or ignore it AFFILIA All researchers clinicians and advocates concerned with wife abuse should consider the questions and issues raised by this volume Violence and Victims This is a well written book Many of the contributors are well known researchers in the area of family violence The volume is also amazingly coherent for an edited book Each of the chapters complements the others and there is little overlap of material Feminist Perspectives on Wife Abuse is highly recommended Contemporary Psychology For clinicians this book offers strong messages with an emphasis on empowerment of women suggesting that women are not simply helpless victims but are able to make their own decisions with appropriate intervention strategies Furthermore this book has shown the integration between feminist theories and practice The current trend toward the battered women's shelter movement and various domestic abuse intervention programs is demonstrated as a result of strong advocates whose interests correspond with feminist philosophies and beliefs This book delivers strong messages to everyone who is concerned about and involved in wife abuse and challenges current perspectives on wife abuse Sociological Inquiry Valuable resource for teaching and research It would be appropriate for courses in research methods feminist theory criminology social work or upper level courses on family

violence National Women's Studies Association This book shows how good an anthology can be Isis Feminist Perspectives on Wife Abuse is a thought provoking and valuable anthology of feminist research and activism as they relate to the study and eradication of wife abuse As the title implies this book does not join in the current movement of tiptoeing around the issue of wife abuse by erroneously referring to it as spouse abuse domestic violence or family violence On the contrary this is a collection of fifteen excellent contributions by feminist women and pro feminist men who are not afraid to offer truly feminist perspectives on male violence against their intimate partners The two chapters most relevant to community psychologists address how psychological test can misdiagnose and or misrepresent the experiences of women with abusive partners In short Feminist Perspectives on Wife Abuse is thought provoking and challenges the reader to examine her or his motives and biases to put theories into practice to create lasting social change and to work collaboratively with grassroots activists who bring their own expertise and skills to the task of ending male violence against women The Community Psychologist

Feminist Perspectives in Therapy Judith Worell, Pamela Remer, 2002-10-22 Feminist Perspectives in Therapy Empowering Diverse Women addresses core issues in feminist psychological practice along with strategies and techniques for understanding the development and experiences of women throughout their lives Two leading feminist psychologists provide a model that integrates feminist and multicultural theory and practice incorporating both internal and external sources of women's psychological distress and well-being This Second Edition is filled with valuable information on the latest developments in research and major issues faced by therapists treating women along with clinical case studies that provide practical examples of how to put theory into practice Topics covered include Promoting physical and psychological health Confronting interpersonal abuse and violence Balancing career and family Integrating multicultural and diversity issues Negotiating relationships Complete with self assessment activities experimental exercises and resources for further reading Feminist Perspectives in Therapy Empowering Diverse Women Second Edition is a practical book for students and a valuable resource for mental health professionals

Handbuch Häusliche Gewalt Melanie Büttner, 2020-11-07 Das Grundlagenwerk für Aufklärung Intervention Beratung und Therapie Praxisorientiert Interventionen zum Gewaltschutz Strategien für die Beratung und Therapie Fallbeispiele State of the Art Expertinnen und Experten aus Wissenschaft und Praxis geben Einblicke in Grundlagen und Handlungsansätze Hochaktuell Gewalt im häuslichen Umfeld ist bis heute weit verbreitet Konkurrenzlos Das erste Standardwerk für alle relevanten Berufsgruppen Das multiperspektivische Handbuch führt in die Erscheinungsformen und Hintergründe häuslicher Gewalt ein und gibt einen Überblick über für Hilfe Vorgehen beim Gewaltschutz medizinische Versorgung Beratung und Therapie Expertinnen und Experten aus Praxis und Wissenschaft erklären Grundlagen zeigen Versorgungsbedarfe auf und stellen anhand konkreter Fallbeispiele Handlungsansätze vor Zusammen mit Beiträgen zu Förderprogrammen und Forschungsprojekten auf Bundes und EU Ebene bildet das Buch ein umfassendes Nachschlagewerk für alle Berufsgruppen die mit häuslicher Gewalt in Begegnung kommen Hilfe für Frauen und

Männer die Gewalt in Partnerschaften erleben oder Frauen erlebt haben Männer und Frauen die Gewalt in Partnerschaften ausüben und damit auf ihre Kinder die Partnerschaftsgewalt miterleben oder selbst Misshandlungen erfahren haben Personen die spezielle Unterstützung benötigen wie Frauen während der Schwangerschaft Geburt und danach Menschen mit Migrationsgeschichte Menschen in gleichgeschlechtlichen und trans Beziehungen hochkonflikthafte Paare und ihre Kinder im Trennungsprozess Männer nach der Trennung Betroffene von organisierter ritueller Gewalt im familiären Kontext Aus dem Inhalt Erscheinungsformen Hintergründe und Folgen von Gewalt Frontline Arbeit Gewaltschutz für Hilfe und Prävention Versorgungsbedarf und Intervention im Gesundheitswesen Beratung und Therapie für Betroffene Beratung und Therapie für Terpersonen Beratung und Therapie mit heterosexuellen und gleichgeschlechtlichen Paaren Beratung und Therapie für trans Personen Beratung und Therapie für betroffene Kinder *More Than Victims* Donald Alexander Downs, 1998-10 Donald Downs offers an analysis of the injustices behind the logic of battered woman syndrome concluding that this very logic harms those it is trying to protect This work seeks to rethink the criminal justice system

Battered Women and Feminist Lawmaking Elizabeth M. Schneider, 2008-10-01 Women's rights advocates in the United States have long argued that violence against women denies women equality and citizenship but it took a movement of feminist activists and lawyers beginning in the late 1960s to set about realizing this vision and transforming domestic violence from a private problem into a public harm This important book examines the pathbreaking legal process that has brought the pervasiveness and severity of domestic violence to public attention and has led the United States Congress the Supreme Court and the United Nations to address the problem Elizabeth Schneider has played a pioneering role in this process From an insider's perspective she explores how claims of rights for battered women have emerged from feminist activism and she assesses the possibilities and limitations of feminist legal advocacy to improve battered women's lives and transform law and culture The book chronicles the struggle to incorporate feminist arguments into law particularly in cases of battered women who kill their assailants and battered women who are mothers With a broad perspective on feminist lawmaking as a vehicle of social change Schneider examines subjects as wide ranging as criminal prosecution of batterers the civil rights remedy of the Violence Against Women Act of 1994 the O J Simpson trials and a class on battered women and the law that she taught at Harvard Law School Feminist lawmaking on woman abuse Schneider argues should reaffirm the historic vision of violence and gender equality that originally animated activist and legal work

New Visions of Crime Victims Carolyn Hoyle, Richard P. Young, 2002-08-14 By challenging stereotypical conceptions the contributors to this collection highlight the plight of atypical victims like male victims of domestic rape and victim offenders who are the recipients of IRA punishment beatings and shootings *Domestic Violence at the Margins* Natalie J. Sokoloff, Christina Pratt, 2005 Reprints of the most influential recent work in the field as well as more than a dozen newly commissioned essays explore theoretical issues current research service provision and activism among Latinos African Americans Asian Americans Jewish Americans and lesbians The volume

rejects simplistic analyses of the role of culture in domestic violence by elucidating the support systems available to battered women within different cultures while at the same time addressing the distinct problems generated by that culture. Together the essays pose a compelling challenge to stereotypical images of battered women that are racist, homophobic and xenophobic.

Destruktive Paarbeziehungen (Leben Lernen, Bd. 214) Jochen Peichl, 2014-06-05
Warum erzeugt Gewalt wieder Gewalt? Warum geraten manche Menschen immer wieder in destruktive Paarbeziehungen? Sei es als Opfer oder als Täter. Wie die Spirale der Gewalt in Gang gesetzt und aufrechterhalten wird, zeigt dieses Buch in differenzierter Weise. Gewalt in Paarbeziehungen ist ein ebenso weit verbreitetes wie tabuisiertes Phänomen in unserer zivilisierten Gesellschaft. Einer großen Untersuchung nach hat jede vierte Frau schon einmal tatsächliche Bergriiffe ihres Partners erfahren müssen. Und auch Männer haben offenbar reichlich unter häuslichen Aggressionen zu leiden: verbale und psychische Attacken berwiegen in diesem Fall die rein physische Gewalt. Das Buch beschäftigt sich mit der Entstehung und mit den Auswirkungen destruktiver Beziehungsmuster. Es zeigt, wie aus selbst erlebter Gewalt oder Vernachlässigung mit dem zentralen Gefühl der eigenen Machtlosigkeit Bergrieffshandlungen auf später nahe Bezugspersonen hervorgehen. PsychotherapeutInnen und psychologische BeraterInnen, die mit einzelnen Klienten oder mit Paaren arbeiten, sollten die Mechanismen intimer Gewalt kennen, um wirksam behandeln oder beraten zu können.

HÄUSLICHE GEWALT/DOMESTIC VIOLENCE: Eine Untersuchung von bedeutsamen risikorelevanten Merkmalen zur Ermittlung der Rückfallwahrscheinlichkeit inhaftierter Gewaltstraftäter unter Verwendung des Ontario Domestic Assault Risk Assessment (ODARA) Daniel Srienz, 2014-04-11

Inhaltsangabe: Einleitung Prognosen über das zukünftige Verhalten eines Straftäters haben im österreichischen Strafrecht eine erhebliche Bedeutung. Bei allen strafrechtlichen Entscheidungen, bei denen der Gesetzgeber vom Rechtsanwender die Einbeziehung prognostischer Berlegungen fordert, geht es um die Berücksichtigung der Entscheidungsfolgen im juristischen Beurteilungsprozess. Wie bei allen Prozessen der kriminalprognostischen Urteilsbildung geht es um die begründete Einschätzung der Wahrscheinlichkeit zukünftiger strafrechtsrelevanter Handlungsscheidungen und Verhaltensweisen des Täters. Diese Einschätzungen lassen sich wissenschaftlich durch zwei methodenspezifische Grundstrategien erzielen: durch den nomothetischen Ansatz und durch eine ideographische Vorgehensweise. Der nomothetische oder aktuarische statistische Ansatz beruht auf empirisch gesicherten Erfahrungen, die man aus langer Tradition bislang mit der Richtigkeit von Theorien und deren Merkmalen, die die Rückfallswahrscheinlichkeit beeinflussen, gesammelt hat. Die Grundlage dieser Prognosemethoden sind somit empirisch belegte Risiko- und Schutzfaktoren sowie Verfahrensweisen zur Bezugnahme dieser Prädiktoren auf den Einzelfall. Dahle (2010, S. 71) Anhand klar definierter Determinanten einzelne Risiko-Items und einheitlicher Regeln zur Bestimmung eines Risiko-Scores. Aufsummierung der Items wird einem den Klienten ein spezifisches Rückfallrisiko: niedriges, moderates oder hohes Risiko zugeordnet. Auf diese Weise erhält der Prognostiker die Prognostikerin eine fundierte Vorstellung vom Niveau der statistischen Grundrisiken, auf dem sich der zu beurteilende Proband gemäß breitem empirischen

Erfahrungswissen mit vergleichbaren Fallkonstellationen bewegt und kann sich somit auf ein realistisches Ausgangsniveau einstellen Ideographische Prognosemethoden basieren hingehend nicht primär auf fallunabhängigen Prognosekriterien sondern versuchen vielmehr die im konkreten Einzelfall relevanten Faktoren aus ihren spezifischen Gegebenheiten und Entwicklungen heraus zu begreifen ebd S 71f Die Grundlage ist hier also die möglichst sorgfältige Rekonstruktion verhaltensrelevanter Gesetzmäßigkeiten z.B. die Erfassung biografischer und strafrechtlicher Entwicklungen die Vorgeschichte des einzelnen Täters und seiner Anlässe etc. Um nun die zweigleisigen methodischen Vorgehensweisen zu vereinen entwickelte Dahle 2000 ein klinisch ideographisches *Rethinking Domestic Violence* Audrey Mullender, 2002-09-11 First published in 1996 Routledge is an imprint of Taylor Francis an informa company *Psychology and Law in Europe* Pär-Anders Granhag, Ray Bull, Alla Shaboltas, Elena Dozortseva, 2016-12-19 Offering carefully curated articles from the European Association of Psychology and Law EAPL this book features chapters from a truly international group of scholars This text is the first of its kind to offer insights into current developments in psychology and law in Russia. The field of psychology and law has a very long and strong tradition in Russia but very little is known as Russian scholars rarely publish their works in English. The volume also contains state of the art chapters on topics at the very core of psychology and law including offender profiling lie detection crime linking false memories and witness interviewing Features Provides rare insight into Russian history of forensic and criminal psychology Covers core topics in the discipline Offers international scope from a diverse array of contributors *Psychology and Law in Europe When West Meets East* is a text of interest for students of psychology law or criminal justice as well as scholars and practitioners in the field. This text offers a window into global advances in psychology and law *Die Narben der Gewalt* Judith Herman, 2018-03-28 Dieses Buch ist das Ergebnis jahrzehntelanger Forschung und praktischer Arbeit mit Opfern sexueller und physischer Gewalt Es spiegelt zudem die vielfältigen Erfahrungen der Autorin mit zahlreichen anderen traumatisierten Patienten wider vor allem mit Kriegsveteranen und Terroropfern 2015 fasste Judith Herman die neuesten Forschungen und Entwicklungen zusammen und ergänzte somit ihren Klassiker der nie an Aktualität verloren hat Das Buch von Judith Herman ist eines der wichtigsten und gleichzeitig lesbarsten Bücher der modernen Traumaforschung Es sollte in allen universitären Seminaren zum Thema psychische Traumatisierungen zur Pflichtlektüre gehören Dr Arne Hofmann *Privacy* Eric Barendt, 2017-09-08 Privacy is a complex and controversial right The essays in this book address fundamental issues about its value and how best it may be defined Some of them examine its importance and scope in the context of the information society in which both government and business acquire ever more knowledge about the conduct and attitudes of individuals Others address the use of privacy to protect the rights of women and to protect individuals against the media ***Handbook of Feminist Family Studies*** Sally A. Lloyd, April L. Few, Katherine R. Allen, 2009-04-14 The Handbook of Feminist Family Studies presents the important theories methodologies and practices in feminist family studies The editors showcase feminist family scholarship providing both a retrospective and a

prospective overview of the field and creating a scholarly forum for interpretation and dissemination of feminist work

Violence Against Women Pauline B. Bart, Eileen Geil Moran, 1993 Violence against women permeates our society at every level in every setting. Murder, rape, intimidation, pornography, workplace harassment, and incest are all part of a general belief built into the roots of patriarchal society. Women are proper targets of male violence. The chapters in this book contributed by some of the most prolific contemporary writers on women's issues explore this culture of violence and oppression, examining its ideological underpinnings and its structural supports in the social, political, and legal systems that protect the violent by blaming the victim.

Shelters for Battered Women and the Needs of Immigrant Women Rachel Paul, 1998

Fullstendig tit: Shelters for battered women and the needs of immigrant women 109 s hf TemaNord 1998 507 Case

Studies in Family Violence Robert T. Ammerman, Michel Hersen, 2013-06-29 The past 20 years have seen the emergence of family violence as one of the most critical problems facing society. The alarming incidence figures of abuse and neglect directed toward family members justify this attention. For example, over 1 million children are thought to be abused and neglected each year. Similarly, almost 2 million women are victims of wife battering each year. Annual rates of elderly mistreatment are thought to be as high as 32 per 1000 population. Accurate epidemiological data only now are being compiled on more recently recognized forms of mistreatment such as psychological abuse, ritualistic abuse of children, and child witnessing of adult violence. The pervasiveness of domestic mistreatment makes it a priority for clinicians and researchers alike. For clinicians, intrafamilial violence represents a formidable challenge with respect to assessment and treatment. The etiology of abuse and neglect is multidetermined. There are numerous pathways in the development of family violence, and these interact and converge in a nonlinear fashion. The consequences of family violence are equally complex and divergent. Victims of mistreatment can display a variety of physical injuries and psychological disturbances. No single psychiatric syndrome or symptom constellation has been consistently implicated in any form of family mistreatment. The perpetrators of family violence are equally heterogeneous in their clinical presentations. Illustrative dysfunctionalities in perpetrators include skill deficits, substance abuse, mental illness, and impulse control disorders.

Rethinking Domestic Violence Donald G. Dutton, 2011-01-01 Rethinking Domestic Violence is the third in a series of books by Donald Dutton critically reviewing research in the area of intimate partner violence (IPV). The research crosses disciplinary lines including social and clinical psychology, sociology, psychiatry, affective neuroscience, criminology, and criminal justice research. Since the area of IPV is so heavily politicized, Dutton tries to steer through conflicting claims by assessing the best research methodology. As a result, he comes to some very new conclusions. These conclusions include the finding that IPV is better predicted by psychological rather than social structural factors, particularly in cultures where there is relative gender equality. Dutton argues that personality disorders in either gender account for better data on IPV. His findings also contradict earlier views among researchers and policy makers that IPV is essentially perpetrated by males in all societies. Numerous

studies are reviewed in arriving at these conclusions many of which employ new and superior methodologies than were available previously After twenty years of viewing IPV as generated by gender and focusing on a punitive law and order approach Dutton argues that this approach must be more varied and flexible Treatment providers criminal justice system personnel lawyers and researchers have indicated the need for a new view of the problem one less invested in gender politics and more open to collaborative views and interdisciplinary insights Dutton s rethinking of the fundamentals of IPV is essential reading for psychologists policy makers and those dealing with the sociology of social science the relationship of psychology to law and explanations of adverse behaviour

Discourse and Silencing Lynn Janet Thiesmeyer,2003-01-01

Silencing is not only a physically coercive act It is also an act of language involving forms of selection representation and compliance Discourse and Silencing weaves together theories and examples of discourse from different disciplines in order to put forward a theory of silencing in language that discursive systems filter represent and displace types of knowledge into other forms of expression Each chapter of the book analyses examples of silencing through discourse in various social and political fields The examples cover courtroom trials government censorship domestic violence marital conversations penal institutions news media and political rhetoric They cover societies ranging from Eastern and Central Europe Canada and the U S to New Zealand and Japan The contributors clarify the difference between chosen silences and the silencing that as a practice seeks to limit alter or de legitimise another s discourse The book also examines the continuous resistances and shifts in discourse and silencing within the social and political frameworks in which interlocutors negotiate their relations to each other

The Politics of Women's Health Susan Sherwin,Feminist Health Care Ethics Research Network,1998 Examines the real world of women s health status and health care delivery in different countries and the assumptions behind the dominant medical model of solving problems without regard to social conditions This book asks what feminist health care ethics looks like if we start with women s experiences and concerns

Feminist Perspectives On Wife Abuse Book Review: Unveiling the Magic of Language

In an electronic digital era where connections and knowledge reign supreme, the enchanting power of language has been more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is truly remarkable. This extraordinary book, aptly titled "**Feminist Perspectives On Wife Abuse**," compiled by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound impact on our existence. Throughout this critique, we shall delve into the book's central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Feminist Perspectives On Wife Abuse full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based

access to a wide range of Feminist Perspectives On Wife Abuse eBooks, including some popular titles.

FAQs About Feminist Perspectives On Wife Abuse Books

What is a Feminist Perspectives On Wife Abuse PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it.

How do I create a Feminist Perspectives On Wife Abuse PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF.

How do I edit a Feminist Perspectives On Wife Abuse PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities.

How do I convert a Feminist Perspectives On Wife Abuse PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats.

How do I password-protect a Feminist Perspectives On Wife Abuse PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities.

Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as:

LibreOffice: Offers PDF editing features.

PDFsam: Allows splitting, merging, and editing PDFs.

Foxit Reader: Provides basic PDF viewing and editing capabilities.

How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download.

Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information.

Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions.

Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
