Kimmel, Donald E. Kieso**

Financial Accounting Ifrs Edition Weygt Kimmel Kieso 2nd:

Financial Accounting Jerry J. Weygandt, Paul D. Kimmel, Donald E. Kieso, 2009-11-02 Weygandt helps corporate managers see the relevance of accounting in their everyday lives Challenging accounting concepts are introduced with examples that are familiar to them which helps build motivation to learn the material Accounting issues are also placed within the context of marketing management IT and finance The new Do It feature reinforces the basics by providing quick hitting examples of brief exercises The chapters also incorporate the All About You AAY feature as well as the Accounting Across the Organization AAO boxes that highlight the impact of accounting concepts With these features corporate managers will learn the concepts and understand how to effectively apply them *Accounting* Paul D. Kimmel, Jerry J. Weygandt, Donald E. Kieso, 2010-12-01 With this fourth edition accountants will acquire a practical set of tools and the confidence they need to use them effectively in making business decisions It better reflects a more conceptual and decision making approach to the material The authors follow a macro to micro strategy by starting with a discussion of real financial statements first rather than starting with the Accounting Cycle The objective is to establish how a financial statement communicates the financing investing and operating activities of a business to users of accounting information This motivates accountants by grounding the discussion in the real world showing them the relevance of the topics covered to their careers
