*For Love of Country* Howard Schultz, Rajiv Chandrasekaran, 2015-10-27 A celebration of the extraordinary courage dedication and sacrifice of this generation of American veterans on the battlefield and their equally valuable contributions on the home front Starbucks CEO Howard Schultz and National Book Award nominee Rajiv Chandrasekaran honor acts of uncommon valor in Iraq and Afghanistan including an army sergeant who runs into a hail of gunfire to protect his comrades two marines who chose to stand and defend their outpost from an oncoming truck bomb and a sixty year old doctor who joined the navy after his son was killed at war saving dozens of lives during his service We also see how veterans turn their leadership skills into community building initiatives once they return home former soldiers who aid residents in rebuilding after natural disasters an infantry officer who trades in a Pentagon job to teach in an inner city neighborhood the spouse of a severely injured soldier assisting families in similar positions These powerful unforgettable stories demonstrate just how indebted we are to those who protect us and what they have to offer our nation when their military service is over
