Beginning counselors will find concise answers to common questions that will likely arise in the course of their professional development and a reliable reference companion as they embark on their careers in the profession. This volume features contributions from counselor educators and professionals in the field guided largely by the core curriculum of the Council for Accreditation of Counseling and Related Programs (CACREP). Information is presented in brief form making the main points of each section concise, clear, visible, and easily accessible. Readers are also introduced to cutting edge areas of research.

**Jurnal Provita**, **The PTA Handbook** Kathleen A. Curtis, Peggy DeCelle Newman, 2005. Are you tired of searching through multiple texts, articles, and other references to find the information you need? *The PTA Handbook: Keys to Success in School and Career for the Physical Therapist Assistant* contains extensive coverage of the most pertinent issues for the physical therapist assistant, including the physical therapist/physical therapist assistant preferred relationship, evidence-based practice, and problem-solving essentials of information competence and diversity. This comprehensive text successfully guides the student from admission into a physical therapist assistant program to entering clinical practice. The user-friendly format allows easy navigation through topics including changes and key features of the health care environment, guides to essential conduct and behavior, and ethical and legal considerations. Strategies are provided to successfully manage financial decisions and curriculum requirements as well as opportunities and obstacles that may emerge. The physical therapist/physical therapist assistant relationship, often a source of confusion for health care and academic administrators, is specifically profiled and analyzed. The authors clarify this relationship by utilizing an appropriate mixture of case studies, multiple examples, and current reference documents. The physical therapist/physical therapist assistant relationship, often a source of confusion for health care and academic administrators, is specifically profiled and analyzed. The authors clarify this relationship by utilizing an appropriate mixture of case studies, multiple examples, and current reference documents. Each chapter is followed by a "Putting It Into Practice" exercise which gives the reader an opportunity to apply the information in their educational or clinical practice setting.
