Where It Begins: A Pucked Novella Helena Hunting, 2024-03-04 From New York Times and USA Today bestselling author Helena Hunting comes a new story in her Pucked series The untold story of Skye and Sidney and the origin story where Vi and Miller are teens when their parents start dating and fall in love I accidentally grabbed the wrong drink at the coffee shop On the upside the hot guy it belonged to chased me down to kindly swap with me On the down side the reason I grabbed the wrong drink in the first place is because the hot guy had just caught me checking out his ass sets In my defense his rear view is rather magnificent In true humiliating form I word vomited a bunch of horrible nonsense Including an unnecessary explanation of the trauma I'd evaded thanks to his chasing me down Nothing could ruin my lactose intolerant day faster than my one true nemesis dairy I did not expect him to ask me out on a date after that I also didn't expect the date to go well since my tendency to truth vomit is high and not everyone finds that quality endearing But apparently he does Because he asks me out again And again Sidney Butterson yes it's a weird last name ticks all my boxes He's smart he's funny he's employed and he's ridiculously hot There's one catch We're both single parents With teens And if our kids don't like each other Well we're doomed Every 1001 Dark Nights novella is a standalone story For new readers it's an introduction to an author's world And for fans it's a bonus book in the author's series We hope you'll enjoy each one as much as we do
