Querido Papa:

Unique Romance of Love Nestor Julio Cordero, 2013-01-07 All my years through high school I used to see how everyone argues about how love should be and how they blame others for everything they do I started to analyze everyone though including mine I started analyzing why we feel this way when falling in love Why every time we are in a relationship with someone we end up blaming that particular person instead of looking at our self So I decided to write about how love should be shown how we need to look at each other before referring to others in any way We need to start looking deep inside and think about what we really want We all need to really stop choosing and start to look for who really deserve us through our heart not our mind Everything might seem confusing at first but if you think it through it really isn't It is better taking your time eating a meal than rushing and ending up having bad day What I am referring is to take our time to learn about others take our time to see beyond that person take our time to feel what the other person is feeling instead of blocking their heart It is easy to run away but what you're really doing is just ignoring what can be confronted and taken care of If love was as simple as a blink of an eye the world would have no sense of living a simple life I hope you all enjoy my poetry and have a better understanding of what is to love and deserve your present sight *Papá acércate soy un adolescente* Oscar

C diz que otorgaban a los indigenas los mismos privilegios que gozaban los españoles. Los nuevos amos son ahora los criollos hacendados empresarios militares el rigor y una pequeña burguesía oprimieron a los mayas y restauraron el feudalismo en la región. El levantamiento indígena resultante sería el más cruento que recuerde la historia del Continente. En aquel ambiente un mozalbete de ambigua procedencia y trastornada personalidad se involucra activamente en la contienda. La gente blanca del pueblo huye en urgida caravana hacia Mérida, ciudad blanca. En el trayecto nuestro amigo va descubriendo la realidad de sus orígenes. Y todo parece haber cambiado para él. A la muerte de sus padres su tía y el cura del pueblo ya se habían encargado de su educación. Un misterioso personaje aparece reiteradamente a suplantar su singular personalidad. Su fascinación por la aventura, la temprana avidez por el dinero, una innata empatía hacia los mayas y sus relaciones con una jovencita indígena le mueven a unirse a los alzados al tiempo que sus nuevos preceptores le apoyan en su vocación a las letras. A cuatro décadas de la huida Turix nos relata las peripecias de su vida y nos da a conocer el intolerante ambiente de aquella época. El escritor es un observador imparcial, no juez de sus personajes o de las palabras que él pueda poner en su boca, aprende a alejarse de sí mismo y a mirarse sin complicidades. No resuelve problemas sólo los plantea abiertamente, expresa en algún momento de su narrativa.
