South Asian non Chinese speaking students into local schools It emphasizes empirical action research methods This is a highly informative and carefully presented book providing high value insights to scholars from university and teacher training institutions and teachers from kindergartens primary and secondary schools around the world **Spirit**

Possession around the World Joseph P. Laycock, 2015-05-26 This book provides a fascinating historical and cultural overview of traditional beliefs about spirit possession and exorcism around the world from Europe to Asia and the Middle East to the Americas Possession and exorcism are elements that occur in nearly every culture Why is belief in spiritual possession so universal This accessible reference volume offers a broad sample of the traditions and cultures involving possession and exorcism presenting thoughts on this widely popular topic by experts from the fields of anthropology sociology religious studies history neuroscience forensics and theology The entries cover the subject of possession and exorcism across all inhabited continents from the Bronze Age to the 21st century providing information that is accessible and intriguing as well as scholarly and authoritative Beyond addressing the Christian tradition of possession and exorcism Pentecostalism and New Age and less widely known Western concepts about possession and exorcism this work examines ideas about possession and exorcism from other world religions and the indigenous cultures of Asia Africa and the Americas It also covers historic cases of possession and presents biographies of famous theologians exorcists and possessed individuals High school and undergraduate readers will learn about world history religious and spiritual traditions and world cultures through a topic that figures prominently in popular culture and modern entertainment Bibliographies that accompany each entry as well as a selected general bibliography serve to help students locate print and electronic sources of additional information **Humble Theory** Dorothy Noyes, 2016-10-03 A collection of fifteen essays exploring what folklore is its history and how it all connects to the world Celebrated folklorist Dorothy Noyes offers an unforgettable glimpse of her craft and the many ways it matters Folklore is the dirty linen of modernity carrying the traces of working bodies and the worlds they live in It is necessary but embarrassing not easily blanching and made respectable for public view although sometimes this display is deemed useful The place of folklore studies among modern academic disciplines has accordingly been marginal and precarious yet folklore studies are foundational and persistent Long engaged with all that escapes the gaze of grand theory and grand narratives folklorists have followed the lead of the people whose practices they study They attend to local economies of meaning they examine the challenge of making room for maneuver within circumstances one does not control Incisive and wide ranging the fifteen essays in this book chronicle the humble theory of both folk and folklorist as interacting perspectives on social life in the modern Western world Tying folklore to larger trends in Western cultural thought leaving behind narrow concerns with genre or fossilized expressive forms Humble Theory showcases the potential of folkloristics to contribute meaningfully to interdisciplinary conversations about culture Journal of Folklore Research Humble Theory is a big book From a small scholarly field it announces the most substantial far seeing insights into the world s social life By writing it

Noyes becomes the kind of public intellectual the United States needs *Journal of American Folklore* Contesting Indonesia Kirsten E. Schulze, 2024-10-15 Contesting Indonesia explains Islamist separatist and communal violence across Indonesian history since 1945 In a sweeping argument that connects endemic violence to a national narrative Kirsten E Schulze finds that the outbreak of violence is related to competing local notions of the national imaginary as well as contentious belonging Through detailed examination of six case studies the Darul Islam rebellions Jemaah Islamiyah s jihad and the conflicts in East Timor Aceh Poso and Ambon Schulze argues that violence was more likely to occur in places that are on the geographic ideological ethnic and religious periphery of the Indonesian state that violence by non state actors was most protracted in locations where there was a well established alternative national imaginary supported by an alternative historical narrative and that violence by the state was most likely in places where the state had a significant territorial interest Drawing on a vast collection of interviews and archival and published sources Contesting Indonesia provides a new understanding of the history of violence across the Indonesian archipelago Embracing Our Full Victory in Christ Derek Mason, 2024-03-19 A deeply informative and insightful exposition on the essential yet often neglected ministry of Christian spiritual warfare Embracing Our Full Victory in Christ The Journey from Darkness to Light is a Bible based and detailed account of the challenges and triumphs of confronting and overcoming demonic influences in a world and tragically often within a church that fails to acknowledge spiritual powers Inside pastor Derek Mason guides readers through Christian discipleship counseling offering powerful tools to connect with the Holy Spirit He illustrates how effective spiritual warfare is a battle of both the spirit and the mind showing how both deliverance and counseling contribute to enduring freedom from darkness Drawing from extensive Scriptural study and Mason s vast experience confronting darkness this guide was crafted from the trenches not the ivory tower and includes a collection of testimonies from individuals who have experienced struggles bondage and the transformative freedom and healing that God brings **The Good Funeral Guide** Charles Cowling, 2010-05-20 The Good Funeral Guide is the first ever independent consumer guide to the funeral industry It is for anyone who needs to arrange a funeral for someone now has sick or elderly relatives or friends and knows that a funeral is imminent wants to find a good funeral director and have some say in the funeral itself wants to make future arrangements for their own funeral would like to learn about deaths and funerals Authoritative impartial and empowering it is indispensable for those who don t want a conventional religious ceremony and invaluable for those who do This is a book we will all need probably at least twice Cosmopolitan Sexualities Ken Plummer, 2016-09-26 How are we to live with the wide varieties of sexuality and gender found across the rapidly changing global order Whilst some countries have legislated in favour of same sex marriage and the United Nations makes declarations about gender and sexual equality many countries across the world employ punitive responses to such differences In this compelling and original study Ken Plummer argues the need for a practical utopian project of hope that he calls cosmopolitan sexualities He asks how can we connect our differences with collective values our

uniqueness with multiple group belonging our sexual and gendered individualities with a broader common humanity Showing how a foundation for this new ethics politics and imagination are evolving across the world he discusses the many possible pitfalls being encountered He highlights the complexity of sexual and gender cultures the ubiquity of human conflict the difficulties of dialogue and the problems with finding any common ground for our humanity *Cosmopolitan Sexualities* takes a bold critical humanist view and argues the need for positive norms to guide us into the future Highlighting the vulnerability of the human being Plummer goes in search of historically grounded and potentially global human values like empathy and sympathy care and kindness dignity and rights human flourishing and social justice These harbour visions of what is acceptable and unacceptable in the sexual and intimate life Clearly written the book speaks to important issues of our time and will interest all those who are struggling to finding ways to live together well in spite of our different genders and sexualities

Getting at Jesus Peter S. Williams, 2019-01-29 Portraying themselves as challenging blind religious dogma with evidence led skepticism the neo atheist movement claims that the New Testament contains unreliable tales about a mythical figure who far from being the resurrected Lord of life may not even have lived This comprehensive critique documents the falsehood of these neo atheist claims correcting their historical and philosophical mistakes to show how we can get at the truth about the historical Jesus

For the Healing of the Nation William Russell Pregeant, 2016-04-14 For the Healing of the Nation offers a serious look at the social and political climate in the United States from a biblical perspective emphasizing race and otherness economics and the environment and institutional violence war and capital punishment An autobiographical thread traces the journey of a white male coming of age in the mid twentieth century Deep South as his evolving faith leads him to painful breaks with inherited values and standard views on controversial issues Critical not only of both major political parties but also of centrist compromises between Right and Left Russell Pregeant seeks a forward position which he terms ecocommunitarian based on biblical values His musings touch on both southern and American identities and on the nature of the biblical writings and the ways they should and should not be used in contemporary debates Central to the entire work are discussions of how idolatrous commitments to a culture s prevalent ideologies obscure the essential demands of biblical faith
