The Kurds David McDowall, 1992

A People Without a State Michael Eppel, 2016-09-13 Numbering between 25 and 35 million worldwide the Kurds are among the largest culturally and ethnically distinct people to remain stateless A People Without a State offers an in depth survey of an identity that has often been ignored in mainstream historiographies of the Middle East and brings to life the historical social and political developments in Kurdistan society over the past millennium Michael Eppel begins with the myths and realities of the origins of the Kurds describes the effect upon them of medieval Muslim states under Arab Persian and Turkish dominance and recounts the emergence of tribal feudal dynasties He explores in detail the subsequent rise of Kurdish emirates as well as this people's literary and linguistic developments particularly the flourishing of poetry The turning tides of the nineteenth century including Ottoman reforms and fluctuating Russian influence after the Crimean War set in motion an early Kurdish nationalism that further expressed a distinct cultural identity Stateless but rooted in the region the Kurds never achieved independence because of geopolitical conditions tribal rivalries and obstacles on the way to modernization A People Without a State captures the developments that nonetheless forged a vast sociopolitical system

The Kurdish Struggle, 1920-94 E. O'Ballance, 1995-12-18 Forming minorities in five adjacent countries for 74 years Kurds have been fighting for independence or autonomy against governments reluctant to accede either The Kurdish saga is one of periodic insurrections partial victories misfortunes defeats betrayal national repression clashing personalities changing allegiances and an unusual mixture

of heroism and expediency Kurds used governments and governments used Kurds A good insight is given into both political and military aspects of the struggle and of the motives and machinations of major personalities involved
