In 145 years Nathaniel Cade the President's vampire has fought one particular evil over and over again the source of urban legends and nightmares across the country. It has gone by many names and guises but is best known by the one that all children instinctively fear the Boogeyman. No matter how Cade kills him the Boogeyman always comes back. When the killer begins targeting the president's people on the campaign trail Cade and his human handler Zach Barrows are tasked with cleaning up the mess before it spills over into the upcoming election.
