## **Reading Writing Chinese Simplified Character Edition:**

**Reading & Writing Chinese Simplified Character Edition** William McNaughton, 2015-11-24 Reading and Writing Chinese has been the best selling standard reference text for foreign students and teachers of Chinese for the last 25 years. Now completely revised with modern simplified characters it draws on the lessons learned from the use of the book in classrooms to provide a convenient and up to date introduction to the Chinese writing system. Materials are organized in units of progressive difficulty and complexity with clear definitions of the individual characters presented in a logical and systematical sequence. For each of the basic 1 067 characters the pronunciation and core meanings are given along with examples of its use in common compounds and a stroke order diagram showing how to write it correctly. Memorization tips and cross references to look alike characters are also provided. Charts of modern and traditional radicals necessary to look up words in comprehensive Chinese dictionaries are printed inside the front and back covers.

**Reading & Writing Chinese Simplified Character Edition** William McNaughton, 2005-07-15 This is a revised second edition of Tuttle's Reading and Writing Chinese. Reading and Writing Chinese has long been the best selling reference text for foreign students and teachers of Chinese characters. This new edition focuses on the internationally recognized test of Chinese language proficiency the Hanyu Shuiping Kaoshi HSK. All 800 characters prescribed for Level A are covered here and the 1400 Levels B and C characters are covered concisely. All of the prescribed vocabulary for Levels A-C of the Hanyu Shuiping Kaoshi is included among the example compounds. Knowledge of the 2 200 characters and 5 253 vocabulary items covered will equip students to take the test at either the Basic or the Elementary Intermediate standard. Success in the top band of the Basic standard is sufficient to enter college in China. Completely revised with simplified characters it draws on the lessons learned from the use of the book in classrooms to provide a convenient and up to date introduction to the Chinese writing system. Materials are organized in units of progressive difficulty and complexity with clear definitions of the individual characters presented in a logical and systematical sequence. The student's ability to read Chinese and write Chinese are reinforced throughout.
