The Eye in the Triangle Israel Regardie,1970 **Cannabis, Sacred and Profane** Christopher Partridge,2024-08-22

Focussing on the ways in which cannabis has been demonized sacralized and normalized Christopher Partridge analyses the complex and often difficult relationship Western societies have had with the plant since the nineteenth century After an introduction to cannabis and its uses the book discusses how and why it was constructed as a profane influence and a marker of deviance It then examines the emergence of medicinal cannabis showing how this has contributed to its normalization and even its sacralization Finally there is a discussion of sacred cannabis which looks at its use within modern occultism Rastafari and several cannabis churches Overall the book provides a cultural history of cannabis in the modern world which exposes the underlying reasons for the various and changing attitudes to this popular psychoactive substance *The Eye in the Triangle* Israel Regardie,1970 **The History of the Occult Tarot** Ronald Decker,Michael Dummett,2013-07-18 An essential volume for the libraries of all serious students of the Tarot When the Tarot was invented in Italy during the early fifteenth century it was simply a pack of cards used for playing games Esoteric interpretations of the pack date from late eighteenth century France and were confined to that country for a hundred years But today the cards are used throughout the world and not only for fortune telling for true believers they are the key to secret knowledge and the meaning of life A History of the Occult Tarot is the classic work on the history of the Tarot deck and its use in occult circles Starting with the late nineteenth century the Decker and Dummett examine how the Tarot became the favoured divination tool of occultists a bridge to the spirit world and a map of the unconscious From Theosophical to Aleister Crowley to the Order of the Golden Dawn and P D Ouspensky this compelling survey of the Tarot s history describes the many fascinating decks imagined over time as well as the secret histories of mystics High Culture Christopher Partridge,2018-06-01 History is littered with evidence of humanity s fascination with drugs and the pursuit of altered states From early Romanticism to late nineteenth century occultism and from fin de si cle Paris to contemporary psychedelic shamanism psychoactive substances have played catalyzing people Yet serious analysis of the religious dimensions of modern drug use is still lacking the use of drugs and the pursuit of transcendence from the nineteenth century to the present day Beginning with the Romantic fascination with opium it chronicles the discovery of anesthetics the psychiatric and religious interest in hashish the bewitching power of mescaline and hallucinogenic fungi the more recent uses of LSD as well as the debates surrounding drugs and religious experience This fascinating and wide ranging sociological and cultural history fills a major gap in the study of religion in the modern world and our understanding of the importance of countercultural thought offering new and timely insights into the controversial relationship between drugs and mystical experience *Allow Me to Introduce* Lon Milo DuQuette,2020-02-01 DuQuette s enthusiastic recommendations and heartfelt analyses will inspire any reader interested in the occult Publishers Weekly A guided tour to the occult and esoteric worlds from a beloved author and scholar For over 30 years Lon Milo

DuQuette has written incisively about the tarot magick Qabalah and divination and provided introductory material for the most renowned authors on these topics such as Aleister Crowley Israel Regardie John Dee Frater Achad Rodney Orpheus H P Lovecraft Phyllis Seckler John Michael Greer Susan Montag Donald Michael Kraig and many others Considered as a whole this collection of writings provides an invaluable introduction to many aspects and personalities of the occult and esoteric worlds by one of the foremost authorities on such arcane subjects Collected here are Lon s best writings each crafted with an eye toward the importance and immortality of the work with his studied insight and scholarship along with his renowned sense of humor

The Triumph of the Moon Ronald Hutton,2019 This is the second and extensively revised edition of the first full scale scholarly study of what is arguably the only fully formed religion that England has ever given the world that of modern pagan witchcraft which has now spread from English shores across four continents Ronald Hutton examines the nature of that religion and its development and offers a history of attitudes to witchcraft paganism and magic in British society since 1800 Its pages reveal village cunning folk Victorian ritual magicians classicists and archaeologists leaders of woodcraft and scouting movements Freemasons and members of rural secret societies We also find some of the leading figures of English literature from the Romantic poets to W B Yeats D H Lawrence and Robert Graves as well as the main personalities who have represented pagan witchcraft to the public world since 1950 Thriller writers like Dennis Wheatley and films and television programmes get similar coverage as does tabloid journalism The material is by its very nature often sensational and care is taken throughout to distinguish fact from fantasy in a manner not hitherto applied to most of the stories involved Consistently densely researched Triumph of the Moon presents an authoritative insight into an aspect of modern cultural history which has attracted sensational publicity but has hitherto been little understood This edition incorporates all of the new research carried out into the subject by the author and by others who have often been inspired by this book during the twenty years since it was first published

The Occult Sourcebook Nevill Drury, Gregory Tillett,2019-09-10 Originally published in 1978 The Occult Sourcebook has been compiled primarily for the many people who are for the first time becoming engrossed by the numerous and often confusing possibilities underlying the occult sciences It consists of a series of articles on key areas providing the reader with easy access to basic facts together with a carefully planned guide to further reading Critical comments on the recommended books allow the reader to select those which best suit their interests The authors have also included a Who s Who of the occult to provide short biographies of some of the more amazing figures who have already travelled down the mystic path The book offers a programmed system of exploration into the realms of the unknown It will be invaluable to the increasing number of people who are concerned with the exploration of enlarging human consciousness

The Golden Dawn - A Key to Ritual Magic Gordon Strong,2014-07-25 The Esoteric Order of The Golden Dawn was a school of magic founded during the late nineteenth century one vowing to reveal all manner of occult knowledge to its members Celebrated among these were Florence Farr W B Yeats Charles

Williams A E Waite and Pamela Colman Smith Its figurehead the autocratic Samuel MacGregor Mathers inaugurated ceremonies that melded Christian Mysticism the Qabalah and Hermeticism Such a potent brew would eventually ensure that the Golden Dawn would burst asunder in an esoteric apocalypse Hidden Beauty of the Commonplace Philip Pegler,2013-03-27 At a time of austerity and profound concern for human rights here is a thoughtful book honouring the quiet radiance of love sanctity of existence and silent background of being Abiding peace awaits discovery in the midst of our difficulties it is this simple but potent realisation that entirely changes our world view and offers genuine hope for the future of humanity This work is based upon the life of Clare Cameron a gifted English mystic and nature poet at the peak of her creative powers during the exuberant decade of the 1960s Displaying wisdom and compassion Clare continually challenged her readers with a fundamental question that is as vital and relevant now as it was in her own day What is the true meaning of freedom *The Dictionary of Magic & Mystery* Melusine Draco,2012-05-25 Every good reference book is both a product and a reflection of its time The Dictionary of Magic Mystery is not just another compendium or dictionary of occultism it is a jumping off point for further research Here the reader will find the ancient and modern interpretation for magical and mystical terms together with explanations for the differences between the varied and often conflicting approaches to magic

Talking to the Gods Susan Johnston Graf,2015-03-30 Talking to the Gods explores the linkages between the imaginative literature and the occult beliefs and practices of four writers who were members of the Hermetic Order of the Golden Dawn William Butler Yeats Arthur Machen Algernon Blackwood and Dion Fortune were all members of the occult organization for various periods from 1890 to 1930 Yeats of course is both a canonical and well loved poet Machen is revered as a master of the weird tale Blackwood s work dealing with the supernatural was popular during the first half of the twentieth century and has been influential in the development of the fantasy genre Fortune s books are acknowledged as harbingers of trends in second wave feminist spirituality Susan Johnston Graf examines practices beliefs and ideas engendered within the Hermetic Order of the Golden Dawn and demonstrates how these are manifest in each author s work including Yeats s major theoretical work *A Vision* *Audience Participation* Susan Kattwinkel,2003-08-30 Scholarly work on the impact of an active audience on theatrical and dance performance is a relatively new phenomenon one that until now has manifested itself largely in the form of scattered dialogue on the subject Audience Participation Essays on Inclusion in Performance serves as a corrective to this While the passive audience has long been acknowledged in works on response theory and audience studies for its contribution to the performance event performance styles that use the audience as an active contributing creative force have been appended to the studies as merely variations on a theme This anthology brings together essays on direct audience participation in the work of fourteen widely varied theatrical and dance artists covering performance genres of the past and present popular entertainment and high art Its comprehensiveness and uniqueness make it an important contribution to the literature on theater and its many forms and facets **Abrahadabra** Rodney Orpheus,2005-07-01

Magick is a subtle and curious thing and often works in ways you do not expect and at times you do not expect but it always works Every magical act brings a result as you are about to learn Rodney Orpheus from the Introduction Abrahadabra is about the practice of the magick of Thelema a system of physical mental and spiritual training and discipline based on two fundamental principles Do what thou wilt shall be the whole of the Law and Love is the law love under will Lon Milo DuQuette Routledge Library Editions: Occultism Various,2022-07-30 The volumes in this set originally published between 1978 and 1992 draw together research by leading academics in the area of the occult and provide a rigorous examination of related key issues The collection examines occultism from a broad range of disciplines from shamanism and the occult tarot to the esoteric and spiritualism It includes volumes across the disciplines of religion covering new religious movements spiritualism ritual and magic practices The three books that comprise this set include investigations into the evolution of occultism as well as the history and practices of the occult as a religious movement This collection brings back into print insightful and detailed books and will be a must have resource for academics and students not only of religion and anthropology but also of history and psychology Aleister Crowley Tobias Churton,2014-05-20 At last the unexpurgated true story of the amazing Aleister Crowley philosopher poet artists writer magus explorer parapsychology and spy Packed with fresh research and previously unpublished Crowleyana For 100 years Aleister Crowley s true achievements have been suppressed and his true character defaced in a campaign of vilification unparalleled in British history Until now Crowley s life has not been written it has been written over Tobias Churton is a world authority on Freemasonry Rosicrucianism and Gnosticism In writing Aleister Crowley he enjoyed complete access to all Crowley s restricted papers unpublished letters and personal diaries kept in a trust at London s Warburg Institute and in the Ordo Templi Orientis archives Ninety percent of the authentic material here has never before been published **Aleister Crowley** Colin Wilson,2005-12-31 Poet Magician Mountaineer Polemicist and Pornographer Aleister Crowley was the most famous or infamous name in twentieth century occultism With his usual flair and style Colin Wilson brings this complex and enigmatic figure to life and provides an engrossing portrait of the self styled Great Beast the man whom the contemporary press dubbed The Wickedest Man in the World The popular image of him as in the words of Francis King an insatiable sexual athlete a pimp who lived on the immoral earnings of his girl friends and a junkie who daily took enough heroin to kill a roomful of people has a basis in fact but there were other less obnoxious and despicable aspects of this highly original character Crowley s greatest legacy is his eclectic occult system his Magick persists a potent synthesis of Golden Dawn magic oriental esoteric techniques sexual magic and the all encompassing Law of Thelema with its two fundamental principles Every man and woman is a star and the notorious Do What Thou Wilt Shall Be the Whole of the Law **Secret Societies and Clubs in American History** David Luhrssen,2015-09-09 Grounded in extensive historical research this eye opening survey reveals the long undervalued role secret societies have played in American history Americans are fascinated by secret societies and have devoured exaggerated

claims for their influence At the same time scholarly assessments of covert groups that have shaped American social cultural and political history have often undervalued their role or even questioned their existence This survey challenges both the exaggerators and the deniers Freemasons They may not be the hidden rulers of the world but a significant number of America s founders were Masons The Know Nothings Two American presidents joined the movement The Bohemian Grove Republican politicians and corporate leaders really did engage in strange behavior under the redwood trees through the 20th century Revealing fascinating facts about some of the most talked about covert societies including the Mafia the Skull and Bones and the Ku Klux Klan Secret Societies and Clubs in American History exposes the truth about the subcultures that made their mark on some of the most important events in the nation s history and contributed to the shaping of the country itself

Aleister Crowley and Western Esotericism Henrik Bogdan, Martin P. Starr, 2012-09-05 This volume is the first comprehensive examination of one of the twentieth century s most distinctive iconoclasts Aleister Crowley 1875 1947 was a study in contradictions Born into a fundamentalist Christian family and educated at Cambridge he was vilified as a traitor drug addict and debaucher yet revered as perhaps the most influential thinker in contemporary esotericism Moving beyond the influence of contemporary psychology and the modernist understanding of the occult Crowley declared himself the revelator of a new age of individualism Crowley s occult bricolage Magick was an eclectic combination of spiritual exercises drawn from Western European magical ceremonies and Indic sources for meditation and yoga This journey of self liberation culminated in harnessing sexual power as a magical discipline a sacralization of the self as practiced in Crowley s mixed masonic group the Ordo Templi Orientis The religion Crowley created Thelema legitimated his role as a charismatic revelator and herald of a new age of freedom Aleister Crowley s lasting influence can be seen in the counter culture movement of the late 1960s and early 1970s and in many forms of alternative spirituality and popular culture The essays in this volume offer crucial insight into Crowley s foundational role in the study of Western esotericism new religious movements and sexuality

Magick Without Fear: The Gerald Suster Letters George T. Mortimer, 2016-05-17 Gerald Suster 1951 2001 can be considered one of the most important occultists of the late 20th century A prolific writer esteemed historian and advocate of Thelemic Magick he is best known for his biographies of Aleister Crowley The Legacy of the Beast Israel Regardie Crowley s Apprentice Often described as a somewhat controversial and provocative character Gerald made best use of these attributes in his published books and writings employing common sense and wit to demolish all preconceived notions of what Magick is and how it might be utilised to further advance and accelerate human evolution This volume comprises of the full collection of personal letters he wrote in correspondence with occult student George T Mortimer spanning over eight years from 1992 until near his death at the beginning of 2001 They reveal an exclusive insight into this unique and complex character and will undoubtedly be of value to anyone engaged in studying the occult arts from a Thelemic Crowleyan standpoint
