

**Remember me
Though I have to say goodbye
Remember me
Don't let it make you cry
For ever if I'm far away
I hold you in my heart
I sing a secret song to you
Each night we are apart
Remember me
Though I have to travel far
Remember me
Each time you hear a sad guitar
Know that I'm with you
The only way that I can be
Until you're in my arms again
Remember me**

Lyrics Sting, 2009-07-16 From the first Police album Outlandos D Amour through Sacred Love here are the collected lyrics written by Sting along with his commentary Publishing my lyrics separately from their musical accompaniment is something that I ve studiously avoided until now The two lyrics and music have always been mutually dependent in much the same way as a mannequin and a set of clothes are dependent on each other separate them and what remains is a naked dummy and a pile of cloth Nevertheless the exercise has been an

interesting one seeing perhaps for the first time how successfully the lyrics survive on their own and inviting the question as to whether song lyrics are in fact poetry or something else entirely And while I've never seriously described myself as a poet the book in your hands devoid as it is of any musical notation looks suspiciously like a book of poems So it seems I am entering with some trepidation the unadorned realm of the poet I have set out my compositions in the sequence they were written and provided a little background when I thought it might be illuminating My wares have neither been sorted nor dressed in clothes that do not belong to them indeed they have been shorn of the very garments that gave them their shape in the first place No doubt some of them will perish in the cold cruelty of this new environment and yet others may prove more resilient and become perhaps more beautiful in their naked state I can't predict the outcome but I have taken this risk knowingly and while no one in their right mind should ever attempt to set *The Waste Land* to music in the hopeful words of T S Eliot These fragments I have shored against my ruins Sting from the Introduction **Off Broadway Musicals,**
