Davidson,Irina Filatova,Valentin P. Gorodnov,Sheridan Johns,2015-12-22 This is a comprehensive selection of documents pertaining to the Communist Party of South Africa from the formerly closed archives of the Communist International The Soviet Union and Terrorism Roberta Goren,2024-04-12 The Soviet Union and Terrorism 1984 examines the extent of Soviet involvement in international terrorism and the aims and objectives of Soviet foreign policy It looks at the evidence of changing Soviet attitudes to terrorism from 1917 to the 1980s evidenced in official and semi official pronouncements and it brings together evidence from the field of terrorist operations which points to a high degree of Soviet involvement The Soviet Union is shown to be playing a dangerous game sponsoring activities which it cannot hope to control and leading to effects which it cannot predict Nevertheless it continues to play because it gains from the political and military disruption to the countries affected by terrorist activities **Zahnärztliche Mitteilungen** ,2007-11 *Bibliography of the Communist International (1919-1979)* Vilem Kahan,2023-08-14 Until now the Communist movement has been studied more from the national perspective than the international This scholarly tradition seems to be at odds with the organisatorial interconnection even subjugation of the national communist parties sections to the Communist International or Comintern 1919 1943 but it is understandable from

the point of view of the historian who has only national sources at his disposal newspapers brochures interviews Nowadays the tendency is for the international component of the Communist movement to participate in research The archives of the Comintern are gradually being released by the Soviet Union and an enormous number of official publications is emerging and being made available in libraries by reprints Here Vil m Kahan s bibliography is an indispensable tool in listing nearly all reference works and publications by and on the Comintern and in giving a list of aliases of speakers on Comintern meetings and an overview of all agendas of the meetings These lists are based on research in 14 specialised Western libraries and on the knowledge of a dozen European languages The second volume will deal with the front organisations a third and last volume with the national sections You won't have any other teeth Marisa Roncati,Giangi
