Macroeconomics Stephen D. Williamson, 2011 A modern approach to macroeconomics Williamson's *Macroeconomics* uses a thoroughly modern approach by showing readers how to build macro economic models from micro economic principles This approach helps to make the text consistent with the way macroeconomic research is conducted today The fourth edition weaves the recent events of the financial crisis into the material **Introduction to Macroeconomics, 4rd Edition** Paul Middleditch, 2020 **eBook Instant Access - for Macroeconomics, International Edition** Anthony P O'Brien, R. Glenn Hubbard, Matthew P. Rafferty, 2014-09-10 Hubbard O'Brien and Rafferty realise that most students enrolled in today's intermediate macroeconomics courses are either undergraduate or masters students who are likely to become entrepreneurs managers bankers stock brokers accountants lawyers or government officials Very few students will pursue a Ph D in economics Given this student profile Hubbard O'Brien and Rafferty's text presents *Macroeconomics* in the context of contemporary events policy and business with an integrated explanation of today's financial crisis Student and instructor feedback tells us that Hubbard O'Brien and Rafferty helps make the link between theory and real world easier for students The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you will receive via email the code and instructions on how to access this product Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed

Macroeconomics John Lindauer, 2012-12-17 This book explains all the usual macro topics and is easier and faster to read and understand Students who are assigned this text or use it instead of their assigned text tend to learn more and receive higher grades It is available both as an e book and in print This is the fourth edition of Professor Lindauer's ground breaking *Macroeconomics* series It holds reader interest because it constantly relates the concepts of modern macroeconomics to today's Great Recession and the policies and conditions that brought it about and are needed to end it Professor Lindauer's previous works include books such as *Land Taxation* and *Indian Economic Development* with Sarjit Singh various editions of his *Macroeconomics* series and his ground breaking journal articles such as *Stabilization Inflation and the Inflation Unemployment Trade off* A non technical explanation of the theories and policies described herein is available as *Inflation Unemployment and Government Deficits End Them* It is suitable for journalists laymen and lawyers attempting to serve as Federal Reserve governors A related explanation of those theories and policies is available as *The General Theories of Inflation Unemployment and Government Deficits* It is suitable for professional economists and graduate students Lindauer's books have been translated into Japanese Spanish Korean Hindi Urdu Chinese and Portuguese and his policy suggestions implemented by central banks around the world In addition to serving as Professor of Economics and Chairman at Claremont
