Long Range Shooting Book Melissa Hammock,2020-07-31 The feeling you get when you can hit a tiny target almost out of sight is really amazing for many of us Taking your skills to that level takes some time and training but it s gratifying when you achieve that next step in your shooting skill set One reason many shooters are moving up to longer ranges is the challenge It s pretty easy to hunt or plink at the range and get good hits

on target sub 200 yards but as soon as you start to go longer then some skill is involved as is the need to do some basic math and use more tools These complications mean that it s harder and more time consuming to shoot this way and that makes it appealing to those who want to go to the next level Here we explain the basics of how to get started in Long Range Shooting

Shooter's Bible Guide to Tactical Firearms Robert A. Sadowski,2015-07-21 Long range shooting in the United States is as old as this country is young Shooters have always had a fascination with shooting at distance whether they are plinkers competitive shooters or hunters The ability to place rifle bullets in the same hole of a target or kill an animal quickly is a goal to which we all aspire In recent years the interest in tactical precision rifles has increased with many factory and custom rifle makers plying their art producing rifles that can easily outperform the ability of many shooters Expert Robert A Sadowski proves to be a masterful instructor on all aspects related to precision shooting in the Shooter s Bible Guide to Tactical Firearms This Shooter s Bible guide will help new and experienced shooters in making smart equipment purchases that range from rifles and optics to ammunition and gear The shooting school section provides instructions for those of us who have had no formal training For experienced shooters having current information on hand in one place can be an invaluable resource And no Shooter s Bible guidebook is complete without a detailed products section showcasing rifles from all across the market Other topics covered include Top 10 long range rifles Precision rifle maintenance Anatomy of a riflescope Shooting technique positions and drills And much more Pick up a copy of the Shooter s Bible Guide to Tactical Firearms to learn everything you need to know about precision long range shooting Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts We publish books about shotguns rifles handguns target shooting gun collecting self defense archery ammunition knives gunsmithing gun repair and wilderness survival We publish books on deer hunting big game hunting small game hunting wing shooting turkey hunting deer stands duck blinds bowhunting wing shooting hunting dogs and more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to publishing books on subjects that are sometimes overlooked by other publishers and to authors whose work might not otherwise find a home
