Lost Art Of Enochian Magic Angels Invocations And The Secrets Revealed To Dr John Dee:

The Lost Art of Enochian Magic John DeSalvo, 2010-05-14 A practical guide to Dr John Dee's angelic magic. Contains instructions for performing Enochian magic meditations. Examines John Dee's original diaries from the British Library. Enochian magic is a powerful ancient system for opening portals to heavenly realms and enabling the ascent to God. The basis for many of the modern systems of magic including the Golden Dawn. Enochian magic is named after the biblical prophet Enoch who received the same knowledge and wisdom that was later conveyed to the astrologer to the court of Queen Elizabeth I, Dr John Dee, by angels in the 16th century. In *The Lost Art of Enochian Magic* John DeSalvo traces the history of magic from the earliest civilizations of the Akadians and Egyptians through the Greco-Roman period and up to the present time to reveal how magic has penetrated and influenced our religious beliefs and practices today. Through his unprecedented investigation into the angelic magic of Dr John Dee during which time he deciphered Dee's original phonetic notations in the margins of Dee's 16th century diaries, DeSalvo learned to properly reproduce the Enochian calls which act like mantras in opening higher realms and invoking angels, key to this type of magical practice. DeSalvo shows how to use Enochian magic for personal spiritual development and also as protection from negative energies.

Enochian Magic and the Higher Worlds

John DeSalvo, 2015-03-16 A step by step guide to the rituals of Enochian magic for reaching the higher spiritual realms. Reveals missing practical instructions for the Enochian magic system received by John Dee and Edward Kelley. Explains that the angelic realm is only the first and farthest away of the spiritual realms surrounding God. Shows how to connect with the higher worlds beyond the angels to tap more fully in to the magical power of the Divine. In this comprehensive introduction to Enochian magic and beyond, John DeSalvo explains how the magic system transmitted by the angels to John Dee and Edward Kelley in the 16th century has until now remained incomplete and thus not as powerful as the angels intended. Drawing on his in-depth study of John Dee's diaries, DeSalvo explains how Dee and Kelley were given the Enochian tables and calls but their communications with the angels were severed before they received the full practical instructions for Enochian magic. To this day, most magical groups improvise and make up rituals based on their own ideas and imagination; the magic they practice is not true angelic magic. After many successful Enochian magic rituals and years of his own spiritual work, DeSalvo has discovered additional key pieces to the magical system of Dee and Kelley, a system now known as Power Magic. He provides step by step instructions for more complete and accurate Enochian magic rituals and reveals how the angelic realm is only the first and farthest away of the spiritual realms surrounding God. He explains how to penetrate this angelic realm with Power Magic to reach higher spiritual worlds and receive more powerful knowledge and energy. He shows that by connecting with the higher worlds beyond the angels, we can tap more fully in to the magical power of the Divine and begin restoring the planetary magic of our most ancient ancestors.
