Survival Guide to Mastering a Breakup and Taking Back her Power now **The No Contact Rule** Natalie Lue, 2013-06-14

You're trying to get over your ex yet you're still in touch and have ended up being their back up plan. Maybe you haven't left yet but you want to and just don't know how. Maybe you're tired of doing the lather-rinse-repeat of getting back together and winding back at square one. It's time to cut contact. The No Contact Rule is an inspiring guide to extinguishing the temptation to stay in touch or to keep engaging, helping you to reclaim your sense of self and move on to a healthier relationship.

Through her popular blog *Baggage Reclaim*, Natalie Lue has helped thousands of people break free from unhealthy relationships and breakups after using No Contact to kick a toxic relationship and transform her life. Discover what NC is and how to do it, how to break an unhealthy cycle and navigate various situations from Facebook to pesky texts, working together, sharing a child or feeling trapped by your feelings and thoughts. Cut contact and put the focus on you. By treating you with the love, care, trust, and respect you deserve, this could be one of the best decisions you've ever made. *How to go No Contact With a Narcissist* Lauren Kozlowski, In order to overcome a narcissistic relationship, there are two ways out: be discarded for the final time from the narcissist or go no contact and cut yourself away from your abuser. Neither option is pretty, and I can't deny that both are painful. However, when you claim back your power by making the decision to go no contact, you give yourself the ability to leave the relationship with dignity, newfound self-respect, and the makings of a solid foundation to build your future on. This book, penned from my own experience of leaving my abuser and implementing no contact, goes over the following: Leaving a narcissist, How I left my abuser, How to implement no contact yourself, My first week of no contact, How to maintain no contact when you feel weak, Triangulation and my experiences with this, How to bounce back if you've broken no contact, Affirmations to help you stay strong and maintain firm boundaries. This book can be your source of support to help you through the difficult and heartbreaking time you endure at the end of an abusive relationship. Most importantly, however, it will offer you the tools you need to stick with no contact and make sure you gain the strength you need to be consistent. *Navigating No-Contact with a Narcissist* Jillian Tindall, Carlita Vega, Suboru A, Angela Atkinson, 2017-03-09 You've been through hell and now that you've realized you're dealing with a narcissist in a toxic relationship, you just want out.
