Media, 2022-05-10T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 The problem was that all the alternatives changing career starting over again seemed impossible I couldn't trade in the security of my comfortable life for uncertainty 2 I was on honeymoon sitting on a beach in Sicily when I had an epiphany I realized that I wasn't going to be happy sitting behind a desk for the rest of my life making rich people richer I had worked hard to get this qualification but was now left thinking Is this it Is this all I get from life 3 I am a very conventional person yet I still consider myself to be deeply unconventional I have to accept the tension I'm more conventional than I might otherwise be because I've got young kids and I'm the single breadwinner 4 The modern world is full of people who are dissatisfied with their careers The death of the job for life has led to a world of short term contracts and nomadic career wanderings We are constantly being forced to make decisions against our wishes **Summary of Roman Krznaric's How to Find Fulfilling Work (The School of Life)** IRB Media, 2022
