**The Trojan Horse in the Tribal Classroom** Thomas Alan Tobin, 2022-05-04 The Trojan Horse in the Tribal Classroom How Culture Wars are Waged and Won on the Front Lines of Education By Thomas Alan Tobin All three hundred thirty million of us are immersed in culture wars at every turn It's one of the great disadvantages of diversity One such warfare has been hidden from all of us despite the fact that we had to face it almost daily in our formative years The battleground for this most common cultural conflict is where we all spent at least 40% of our school years preparing not just for unforeseen pandemics such as we're caught up in now nor also for dealing with the economic ecological and political divisions that currently confront all arenas of American society Surprisingly it's our educational system and especially the classroom where

the frontlines of cultural warfare may have kept us constantly struggling for so long Unwittingly and unwillingly drafted into these social and cultural battles we've been trained to continue this perennial struggle between academic and popular sub cultures in our schools The Trojan Horse in the Tribal Classroom reveals the situational factors and functions that have caused education to become an embattled institution and teaching an embattled profession Most importantly it proposes social and cultural solutions to these problems that promise real institution wide improvement and a completely reconstructed truly academic classroom culture One reading of this book will totally revise one's vision of American education and our memories of thousands of hours of classroom life Dr Regina Peter Executive Director NEWMARK Education
