How Christianity Changed the World Alvin J. Schmidt, 2009-12-15 Western civilization is becoming increasingly pluralistic secularized and biblically illiterate Many people today have little sense of how their lives have benefited from Christianity's influence often viewing the church with hostility or resentment *How Christianity Changed the World* is a topically arranged Christian history for Christians and non Christians Grounded in solid research and written in a popular style this book is both a helpful apologetic tool in talking with unbelievers and a source of evidence for why Christianity deserves credit for many of the humane social scientific and cultural advances in the Western world in the last two thousand years Photographs timelines and charts enhance each chapter This edition features questions for reflection and discussion for each chapter

Understanding the Culture Jeff Myers, 2017-03-01 Addressing issues such as gender identity abortion technology and poverty Dr Myers challenges readers to ask How can an authentic Christian worldview provide a compassionate effective witness in culture today Dr Myers first shows readers what they can learn from Christian history and why today's issues might not be as new as they seem Then he takes them through the significant topics that affect them every day offering biblical ideas for conversing with others in an increasingly hostile culture This capstone book to a groundbreaking worldview trilogy equips readers to apply a bold Christian witness to their relationships with loved ones neighbors and colleagues

Why So Many Christians Have Left the Faith Michael L. Brown, 2023 This book will provide you with the facts and understanding you need to respond to difficult questions biblically and stay rooted in your faith even when others seem to be abandoning theirs We are living in unprecedented times when Christian leaders are renouncing their faith and large numbers of believers are falling away Is this the final apostasy prophesied by Jesus and Paul

And can we do anything to help those struggling with their faith In *Why So Many Christians Have Left the Faith* Dr Michael L Brown confronts the problem of Christian deconstruction with solid faith building answers and honest responses to difficult questions *The New Book of Christian Martyrs* Johnnie Moore, Jerry Pattengale, 2023-03 An inspiring keepsake that honors the heroic sacrifice of today's martyrs for the Christian faith and shows how their actions mirror the courage of a long line of brave Christians In the twenty first century we are witnessing an escalation in Christian persecution like we have rarely seen since the first century Many people don't realize that today thousands of Christians are dying cruel deaths throughout much of the world There were in fact more martyrs in the last century than in all the previous Christian centuries combined Millions have given their lives since the fall of Rome and today tens of thousands die annually for their faith in Jesus Most of these modern stories are not legendary in fact many are unknown The New Book of Christian Martyrs commemorates those modern day heroes In this update to Foxe's Book of Martyrs Johnnie Moore and Jerry Pattengale highlight key martyrs of past centuries and feature stories of contemporary martyrs around the world Through tears Johnnie and Jerry offer this compendium of heroes from the first century to the twenty first century from Europe to Africa and from Asia to the Americas to inspire Christians around the globe Today we live in solidarity with them and in the next life we will rejoice by their side We will never forget their sacrifice for the truth *The Gospel According to the Da Vinci Code* Kenneth Boa, John Alan Turner, 2006 Examines the misconceptions about early Christianity throughout The Da Vinci Code and discusses the worldview presented in the novel as well as Dan Brown's other writings and how modern Christianity can respond to it

Lutzer, 2008-09-20 In a society where relativism is the most acclaimed philosophy it is of utmost importance that Christians believe absolutely that the Bible is the inerrant Word of God Erwin Lutzer takes readers on a journey of faith where they are asked some of the most fundamental questions a person could ask In his readable yet profound style Lutzer critically examines proof that will determine supernatural authenticity of the Bible **Has God Spoken?** Hank Hanegraaff, 2011-08-30 Compelling evidence that the Bible is God s Holy Word Using the memorable acronym MAPS radio host and Bible scholar Hank Hanegraaff masterfully reveals four proofs that confirm the divine origin of the Bible M represents the strength of the manuscript itself as many actual fragments have been located A stands for the archaeological proofs that have been uncovered P is for the prophecy that has accurately predicted events S represents the scriptural synergy found in the unity consistency and harmony of the sixty six books These clearly presented proofs provide powerful indicators that confirm the trustworthiness and divine nature of Scripture that God has indeed spoken and that the Bible is the reliable repository of His words **Moral Transformation** Andrew J. Wallace, R. D. Rusk, 2011 Recent scholarship has challenged post Reformation ideas about the early Christian doctrines of salvation This ground breaking book draws together the conclusions of recent scholarship into a compelling and clear view of the early Christian paradigm of salvation It presents the case that the early Christians focussed not on Christ s death on the cross or saving faith but on moral transformation They saw Jesus as God s appointed teacher prophet and leader who died as a martyr in order to teach them a new way of life Their paradigm of salvation centred upon this way of life taught by Jesus and on following faithfully his example and teachings Part 1 How the Gospels present Jesus explores the way in which the early Christians understood the teaching of Jesus It highlights five themes of Jesus message economics and wealth moral purity social equality the temple system and physical and spiritual affliction It shows why people viewed Jesus as a divinely appointed teacher prophet and leader and saw his death as a martyrdom for his cause and movement Part 2 Doctrines of the early Christians presents the key early Christian doctrines of salvation and shows why several post Reformation doctrines conflict with their views It shows that the early Christians believed God s final judgment is made on the basis of character and conduct They believed that by following Jesus and transforming their lives morally they would obtain positive judgment and resurrection This part shows how the early Christians ideas of faith justification forgiveness and grace all fit into this paradigm Part 3 The importance of Jesus looks at why the early Christians considered Jesus so significant they focussed on the moral transformation he brought to their lives This part highlights what they believed Jesus achieved for them and how they used sacrificial language to explain

these beliefs It explores the evidence for viewing Jesus death as a martyrdom and for seeing his resurrection as equally important Part 4 Ideas throughout history shows that Christians held this paradigm of salvation for several centuries It outlines the key changes that occurred from the 4th century through to the Reformation which moved tradition away from the early Christian ideas Finally it offers a critique of modern post Reformation doctrines of salvation
