Concise Grammar for English Language Teachers Tony Penston, 2005 A Concise Grammar for English Language Teachers excels at actually making grammar easy easy to understand easy to master easy to apply in the classroom Its underlying aim is to help teachers become au fait with the terminology used in modern ELT coursebooks and to build confidence in their ability to explain grammar rules both structural and functional Among the bold innovations with this book is its A4 size which more readily accommodates the plentiful and highly commended tables of grammar items It is also the first English teacher's grammar to use tree diagrams to show sentence constituents in full clarity Other strengths include the many excerpts from coursebooks and resource books plus the excellent practical tips throughout Translation and Own-language Activities

Philip Kerr, 2014-03-27 Translation and Own language Activities provides structured practical advice and guidance for using students own languages within the ELT classroom Translation and Own language Activities provides structured practical advice and guidance for using students own languages within ELT classrooms Taking into account both the growing interest and concerns about use of translation in English lessons the book presents effective ways of integrating carefully chosen

activities covering themes such as tools language skills language focus and techniques The practical activities range from using bilingual dictionaries to translating long texts with a number of tasks drawing on easy to use web tools The book also considers the relationship between translation and intercultural understanding *Teaching English Today* Susan Holden, Vinicius Nobre, 2021-10-07 This book is designed for use both on training courses and by the individual reader The content covers a range of learner age groups from young learners to adults within both mainstream education and language institute contexts The aim is to encourage teachers to feel confident to develop their personal abilities within a framework of critical thinking about teaching english today as a global and ever changing international language the varied contexts in which teachers and students interact **Tim Maia's Tim Maia Racional Vols. 1 & 2** Allen Thayer, 2018-11-29 At the height of Tim Maia's soaring fame he joined a radical extraterrestrial obsessed cult and created two plus albums of some of Brazil's and the globe's best funk and soul music This book explores the career of the man often hailed as the James Brown or Barry White of Brazil and the time of his radical transformation from a musician notorious for hedonistic living to a devoted follower of Manoel Jacinto Coelho's Rational Culture After suddenly joining Coelho's cult in 1974 which started first as an offshoot of the mystical Afro Brazilian religion Umbanda Maia gave up drugs and alcohol threw away his material possessions and released Racional Vols 1 2 in the attempt to convert the entirety of Brazil and the world to the revelation of Rational Culture Thayer explores this strange brief yet incredibly prolific period of Maia's life wherein the reigning soul and funk artist of Brazil produced two albums an EP and a recently unearthed tape containing almost another full album of funky jams laced with spiritual content and scripture For just as quickly as Maia became entranced with Coelho did he become disillusioned with the cult disavowing and destroying everything having to do with that experience and refusing to speak of it for the rest of his life 33 1 3 Global a series related to but independent from 33 1 3 takes the format of the original series of short music based books and brings the focus to music throughout the world With initial volumes focusing on Japanese and Brazilian music the series will also include volumes on the popular music of Australia Oceania Europe Africa the Middle East and more Грамматика английского языка.
