The Hermeneutical Spirit Amos Yong, 2017-11-06 In the contemporary biblical studies climate proposals regarding the theological interpretation of Scripture are contested particularly but not only because they privilege encourage and foster ecclesial or other forms of normative commitments as part and parcel of the hermeneutical horizon through which scriptural texts are read and understood Within this context confessional approaches have been emerging including some from within the nascent pentecostal theological tradition This volume builds on the author's previous work in theological method to suggest a pentecostal perspective on theological interpretation that is rooted in the conviction that all Christian reading of sacred Scripture is post Pentecost meaning after the Day of Pentecost outpouring of the Spirit on all flesh in anticipation of the coming reign of God In that respect such a pentecostal interpretative perspective is not parochially for those within the modern day movement bearing that name but is arguably apostolic in following after the scriptural imagination of the earliest disciples of Jesus the messiah and therefore has ecumenical and missional purchase across space and time The Hermeneutical Spirit thus provides close readings of various texts across the scriptural canon as a model for Christian theological interpretation of Scripture suitable for the twenty first century global context

Chinese Diaspora Charity and the Cantonese Pacific, 1850-1949 John Fitzgerald, Hon-ming Yip, 2020-04-15 Chinese Diaspora Charity and the Cantonese Pacific 1850 1949 sheds new light on the history of charity among Chinese overseas and its place in the history of charity in China and in the wider history of global philanthropy It finds that diaspora charity besides serving traditional functions of helping the sick and destitute and supporting development in China helped to build trust among dispersed hometown networks while challenging color boundaries in host societies by contributing to wider social causes The book shows that charitable activities among the Gold Rush communities of the Pacific rim a loosely integrated migr network from Guangdong Province perhaps better known for its business acumen and hard work among English speaking settler societies in North America and Australasia also led the way with social innovations that helped to shape modern charity in China Fitzgerald and Yip's volume demonstrates that

charity lay at the heart of community life among Chinese communities overseas From remittances accompanying letters to contributions to benevolent organizations emigrants transferred funds in many different ways to meet urgent requirements such as disaster relief while also contributing to long term initiatives like building schools or hospitals By drawing attention to diaspora contributions to their host societies the contributors correct a common misunderstanding of the historical Chinese diaspora which is often perceived by host communities as self interested or disengaged This important study also reappraises the value of charitable donations in the maintenance of networks an essential feature of diaspora life across the Cantonese Pacific Fitzgerald and Yip s fascinating collection is a major contribution to the growing study of charity and its relationship to social welfare The essays show how remittances were used for much more than family support The book fills a large gap on the almost unrecognized importance of charity among Cantonese communities in the Chinese diaspora Diana Lary University of British Columbia This collection is a great contribution to our understanding of how important charity became among overseas Chinese in the early stages of the diaspora between 1850 and 1949 Philanthropy was crucial in the creation of trust networks among the diasporic communities that earned Chinese recognition to the overseas communities both in China and in their host countries Sue Fawn Chung University of Nevada Las Vegas [Perspectives in Pentecostal Eschatologies](#) Peter Althouse, Robby Waddell, 2010-09-08 During the mid twentieth century Pentecostal theology was co opted by fundamentalism and its dispensational brand of millennial eschatology Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter rain outpouring of the Spirit in the last days but undercut its raison d etre as a people empowered by the Spirit of Pentecost to participate in the kingdom of God Yet eschatology is much broader than twentieth century dispensationalism and Pentecostal eschatology is diverse reflecting the diversity of Pentecostal and Charismatic spiritualities There is no one Pentecostal eschatology but many Pentecostal eschatologies This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology for them but can stand as scholars and thinkers in their own right **Semiotica Eclesial con un enfoque pentecostal** M. Emanuel Cenicer0s, 2025-05-29 *Semiotica Eclesial con un enfoque pentecostal* examina c mo los signos s mbolos e interpretaciones configuran la experiencia espiritual y la comunicaci n teol gica dentro de la tradici n pentecostal Combinando herramientas de la teor a de la comunicaci n la semi tica y la teolog a se propone un modelo que va m s all de los signos visibles para incluir la interpretaci n de lo invisible lo vivencial En el centro de esta obra se encuentra la Teor a de la Causa Divina un modelo teol gico que resalta el origen divino de la experiencia espiritual genuina Esta teor a no solo es una reflexi n doctrinal sino una clave para comprender c mo la espiritualidad pentecostal genera e interpreta significados a trav s de los signos El libro presenta el M todo Semi tico Eclesial una propuesta pionera nacida desde la espiritualidad pentecostal pero aplicable m s all de las fronteras denominacionales A

través de estudios de caso análisis doctrinal y una mirada eclesial cargada de símbolos el autor ofrece una contribución reflexiva y constructiva al pensamiento cristiano Dirigido a estudiantes pastores e investigadores este volumen es una entrada académica pero accesible al campo emergente de la semiótica religiosa y la comunicación cristiana un testimonio de una iglesia que no solo predica sino que significa Un libro que podrá dialogar en áreas como 1 Estudios sobre semiótica religiosa 2 Teología pentecostal académica 3 Estudios interdisciplinarios en religión y comunicación Un aporte nuevo desde el contexto pentecostal latinoamericano
