## **I Am A Star Child Of The Holocaust Inge Auerbacher:**

*I Am a Star* Inge Auerbacher, 1993-02-01 The Nazis tried to destroy Inge's life but they could not break her spirit Inge Auerbacher's childhood was as happy and peaceful as any other German child's until 1942 By then the Nazis were in power and because Inge's family was Jewish she and her parents were sent to a concentration camp in Czechoslovakia The Auerbachers defied death for three years and were finally freed in 1945 In her own words Inge Auerbacher tells her family's harrowing story and how they carried with them ever after the strength and courage of will that allowed them to survive

**Holocaust Memories** Claudia Moscovici, 2019-05-16 Nearly eighty years have passed since the Holocaust There have been hundreds of memoirs histories and novels written about it yet many fear that this important event may fall into oblivion As Holocaust survivors pass away their legacy of suffering tenacity and courage could be forgotten It is up to each generation to commemorate the victims preserve their life stories and hopefully help prevent such catastrophes These were my main motivations in writing this book *Holocaust Memories* which includes reviews of memoirs histories biographies novels and films about the Holocaust It was difficult to choose among the multitude of books on the subject that deserve our attention I made my selections based partly on the works that are considered to be the most important on the subject partly on wishing to offer some historical background about the Holocaust in different countries and regions that were occupied by or allied themselves with Nazi Germany and partly on my personal preferences interests and knowledge The Nazis targeted European Jews as their main victims so my book focuses primarily on them At the same time since the Nazis also targeted other groups they considered dangerous and inferior I also review books about the sufferings of the Gypsies the Poles and other groups that fell victim to the Nazi regimes In the last part I review books that discuss other genocides and crimes against humanity including the Stalinist mass purges the Cambodian massacres by the Pol Pot regime and the Rwandan genocide I want to emphasize that history can indeed repeat itself even if in different forms and contexts Just as the Jews of Europe were not the only targets of genocide Fascist regimes were not its only perpetrators The Terezin Diary of Gonda Redlich Saul S.

Friedman, 2021-10-21 In 1941 the fortress city of Terezin outside Prague was ostensibly converted into model ghetto where Jews could temporarily reside before being sent to a more permanent settlement In reality it was a way station to Auschwitz When young Gonda Redlich was deported to Terezin in December of 1941 the elders selected him to be in charge of the youth welfare department He kept a diary during his imprisonment chronicling the fear and desperation of life in the ghetto the attempts people made to create a cultural and social life and the disease death rumors and hopes that were part of daily existence Before his own deportation to Auschwitz with his wife and son in 1944 he concealed his diary in an attic where it remained until discovered by Czech workers in 1967 Representing the Holocaust in Children's Literature Lydia Kokkola, 2013-10-15 Writing about the Holocaust and writing for young readers evoke two quite separate sets of concerns which are not always mutually compatible The first half of *Representing the Holocaust* focuses on how literary material can

present historically verifiable material The second half examines how such materials will be perceived by young readers whether they will be able to determine any boundaries between fictionality and factuality and what motivates young readers to keep reading The work concludes by placing the study in the context of Holocaust education Annotated Bibliography

*Stealth Altruism* Arthur B. Shostak, 2017-07-12 Though it has been nearly seventy years since the Holocaust the human capacity for evil displayed by its perpetrators is still shocking and haunting But the story of the Nazi attempt to annihilate European Jewry is not all we should remember *Stealth Altruism* tells of secret non militant high risk efforts by Carers those victims who tried to reduce suffering and improve everyone's chances of survival Their empowering acts of altruism remind us of our inherent longing to do good even in situations of extraordinary brutality Arthur B Shostak explores forbidden acts of

kindness such as sharing scarce clothing and food rations holding up weakened fellow prisoners during roll call secretly replacing an ailing friend in an exhausting work detail and much more He explores the motivation behind this dangerous behavior how it differed when in or out of sight who provided or undermined forbidden care the differing experiences of men and women how and why gentiles provided aid and most importantly how might the costly obscurity of stealth altruism soon be corrected To date memorialization has emphasized what was done to victims and sidelined what victims tried to do for one another Carers provide an inspiring model and their perilous efforts should be recognized and taught alongside the horrors of the Holocaust Humanity needs such inspiration
