

## Speaking sample task – Part 2

### Part 2 – Individual long turn

#### *Candidate Task Card*

Describe something you own which is very important to you.

You should say:

where you got it from  
how long you have had it  
what you use it for

and explain why it is important to you.

You will have to talk about the topic for 1 to 2 minutes.

You have one minute to think about what you're going to say.

You can make some notes to help you if you wish.

Read,2015-01-27 This book focuses on strategies and procedures for assessing the academic language ability of students entering an English medium university so that those with significant needs can have access to opportunities to enhance their language skills *Pronunciation Fundamentals* Tracey M. Derwing,Murray J. Munro,2015-07-15 The emergence of empirical approaches to

L2 pronunciation research and teaching is a powerful fourth wave in the history of the field Authored by two leading proponents of evidence based instruction this volume surveys both foundational and cutting edge empirical work and pinpoints its ramifications for pedagogy The authors begin by tracing the history of pronunciation instruction and explicating L2 phonetic learning processes Subsequent chapters explore the themes strengths and ethical problems of the field through the lens of the intelligibility principle The importance of error gravity and the need for assessment and individualized instruction are highlighted and the role of L2 accents in social contexts is probed Material readily available elsewhere has been omitted in favour of an emphasis on the how why and when of pronunciation instruction Anyone with an interest in L2 pronunciation especially graduate students language teachers and experienced researchers will find much value in this indispensable resource

*Assessing L2 Listening* Gary J. Ockey, Elvis Wagner, 2018-08-08 This book is relevant for language testers listening researchers and oral proficiency teachers in that it explores four broad themes related to the assessment of L2 listening ability the use of authentic real world spoken texts the effects of different speech varieties of listening inputs the use of audio visual texts and assessing listening as part of an interactive speaking listening construct Each theme is introduced with a review of the relevant literature and then is examined through either two or three empirical studies The notion of authenticity underlies each of these four themes By creating more authentic test tasks that are similar to real world language tasks test developers can create listening assessments that not only more effectively assess test takers communicative competence but can also have a positive washback effect on educational systems

*Education and Innovative Perspectives in Higher Education* Ana Luísa Rodrigues, 2024-04-30 Globalization digitalization and a rapid technological development of many areas of life and society bring humanity to another level of development Changes in the educational organizations are inevitable and the university must meet new requirements in a new paradigm Gafurov Safiullin Akhmetshin Gapsalamov from the excellence of academic productivism to the valorisation of pedagogy and teaching and training work from entrepreneurialism to a sense of community from entrepreneurship to public responsibility N voa 2019

*Washback in Language Testing* Liying Cheng, Yoshinori Watanabe, WITH Andy Curtis, 2004-02-04 Washback refers to the influence of language testing on teaching and learning This volume at the important intersection of language testing and teaching practices presents theoretical methodological and practical guidance for current and future washback studies In the field of language testing researchers major interest has traditionally been focused on issues and solving problems inherent in tests in order to increase their reliability and validity However the washback effect goes well beyond the test itself to include factors such as curriculum teacher and learner behaviors inside and outside the classroom their perceptions of the test and how test scores are used Only recently have researchers started to empirically investigate the phenomenon of washback This volume of such research serves two essential purposes by providing an overview of the complexity of washback and the various contextual factors entangled within testing teaching and learning and presenting empirical studies from around the

world that offer insights into the effects of washback in specific educational contexts and models of research on which future studies can be based The extensive use of test scores for various educational and social purposes in society nowadays makes the washback effect a high interest phenomenon in the day to day educational activities of teachers researchers program coordinators directors policymakers and others in the field of education Washback in Language Testing Research Contexts and Methods is a valuable resource for those who are interested in the application of findings to actual teaching and learning situations or conduct washback research in their own contexts including educational and psychological testing experts as well as alternative assessment people in all fields and for policy and decision makers in educational and testing organizations
