Literature and Understanding Jon Phelan, 2020-10-08 Literature and Understanding investigates the cognitive gain from literature by focussing on a reader's close analysis of a literary text It examines the meaning of literature outlines the most prominent positions in the literary cognitivism debate explores the practice of close reading from a philosophical perspective provides a fresh account of what we mean by understanding and in so doing opens up a new area of research in the philosophy of literature This book provides a different reply to the challenge that we can't learn anything worthwhile from reading literary fiction It makes the innovative case that reading literary fiction as literature rather than as fiction stimulates five relevant senses of understanding The book uses examples of irony metaphor play with perspective and ambiguity to illustrate this contention Before arguing that these five senses of understanding bridge the gap between our understanding of a literary text and our understanding of the world beyond that text The book will be of great interest for researchers scholars and post graduate students in the fields of aesthetics literary theory literature in education and pedagogy

Fictions of Home Martin Mühlheim, 2018-04-23 This study aims to counter right wing discourses of belonging It discusses key theoretical concepts for the study of home focusing in particular on Marxist feminist postcolonial and psychoanalytic contributions The book also maintains that postmodern celebrations of nomadism and exile tend to be incapable of providing an alternative to conservative xenophobic appropriations of home In detailed readings of one film and six novels a view is developed according to which home as a spatio temporal imaginary is rooted in our species being and as such constitutes the inevitable starting point for any progressive politics

Literature Robert Eaglestone, 2019-07-23 Facts alone are wanted in life exclaims Mr Gradgrind at the beginning of Dickens Hard Times Literature is not about facts alone and despite two and a half thousand years of arguments no one can agree on what it is or how to study it But argues Robert Eaglestone it is precisely the open ended nature of literature that makes it such a rewarding and useful subject Eaglestone shows that studying literature can change who you are turning you from a reader into a critic someone attuned to the ways we make meaning in our world Literature is a living conversation which provides endless opportunities to rethink and reinterpret our societies and ourselves With examples ranging from Sappho to Skyrim this book shows how literature offers freer and deeper ways of thinking and being

Reading Literature and Chronic Pain Josie Billington, 2025-05-15 This valuable and insightful study into chronic pain and its treatment advances a striking analysis of the complex phenomenon of chronic pain also attesting to the importance of the medical humanities in addressing urgent questions that medical science alone cannot resolve The primary purpose of this book is twofold First to demonstrate empirically against a conceptual background drawn from multiple disciplines and knowledge bases historical medical neurobiological psychological socio anthropological how an apparently soft intervention such as literary reading can effectively combat symptoms of a condition as intractable as chronic pain Second to explore what this evidence tells us about pain as a lived experience as well as a

condition in urgent need of new treatment options and about literature and the reading of fiction and poetry as therapeutic influences in contemporary health and healthcare most particularly in alleviating the often severe mental health difficulties with which chronic pain is almost universally associated Based on unique empirical research with people who are living with chronic pain this book is the first of its kind to demonstrate the value of literature and literary reading both as a discourse for understanding and finding pain and as an intervention in its treatment

Global Learning in the 21st Century Tassos Barkatsas, Adam Bertram, 2016-10-26 In this 21st century technological and social changes have never been as rapid as before and educative practices must evolve and innovate to keep up What is being done by educators today to prepare future global citizens What are the skills and competencies that will be required by our students What changes in how we approach education might need to be made This book presents a modern focus on some significant issues in teaching learning and research that are valuable in preparing students for the 21st century The book discusses these issues in four sections The first section presents contemporary innovative curriculum and pedagogical practices that are relevant for the 21st century This also includes how social networking has an integrated role within current educative practice The next section then explores issues and current research around motivation and engagement and how these are changing in this era of technological and social change The third section presents debates around inclusion and social contexts both global and local Finally the fourth section explores current discourses in regard to internationalisation and globalisation and how these are being considered in educational research The book is an important representation of some of the work currently being done for these rapidly changing times It will appeal to academics researchers teacher educators educational administrators teachers and anyone interested in preparing students for a modern and globally interconnected world

Resources in Education, 1987 Serves as an index to Eric reports microform The Politics of Style Daniel Hartley, 2016-09-27 This book develops a Marxist theory of literary style The first part explains why Raymond Williams Terry Eagleton and Fredric Jameson came to see style as central to political criticism It delineates the historical and conceptual preconditions for the emergence

of a politics of style and uncovers an underground current of stylistics within the Marxist tradition from Marx to Barthes The second part sets out precisely what each thinker has written on style and demonstrates how this came to figure in their overall intellectual and political projects focusing above all on a detailed reconstruction of Williams's best known concept the structure of feeling Finally the third part sets out an independent theory of style and makes an ambitious attempt to establish it as a foundational element of a new Marxist poetics

Literary Theory at Work Douglas Tallack, 1987-01-01 PM This is a sequel to the successful *Modern Literary Theory* by Jefferson and Robey Barnes Noble While the latter concentrates on expounding theory without embarking on its application Tallack and his Critical Theory group take three literary texts and show how different literary theories can be used in practice in the analysis of real texts The three texts are *R In the Cage* by Henry James *St Mawr* by D H Lawrence and *Heart of Darkness* by Joseph Conrad The branches of theory applied to them are Structuralism Narrative Theory and Character Theory Psychoanalytic Theory Feminism Linguistics and Reader Response Theory Deconstruction and Marxis

Spanish Literature David William Foster, Daniel Altamiranda, Carmen Urioste-Azcorra, 2001

Ridiculous Critics Philip Smallwood, Min Wild, 2014-09-16 *Ridiculous Critics* is an anthology of eighteenth century writings on the figure of the literary critic and on the critic's mixed and complex role The collection assembles critical texts and satirical images chronologically to suggest a vision of the history of eighteenth century literary criticism Including comic vicious heartfelt and absurd passages from critics poets novelists and literary commentators celebrated and obscure the writings range through poetry fiction drama and periodical writing The anthology also includes two original essays discussing and illustrating the irrepressible spirit of critical ridicule in the period and commending its value and effect The first offers an evaluation of the merciless and sometimes shockingly venomous satirical attacks on critical habits and personalities of the eighteenth century The editors argue that such attacks are reflexive in the sense that criticism becomes increasingly supple and able to observe and examine its own irresponsible ingenuities from within The volume's concluding essay supplies an analysis of modern modes of criticism and critical history and suggests applications across time We propose that humor's vital force was once an important part of living criticism The eighteenth century mockery of critics casts light on a neglected common thread in the history of criticism and its recent manifestations it prompts questions about the relative absence of comedy from the stories we presently tell about critics dead or alive The passages invite laughter both with the critics and at their expense and suggest the place that ridicule might have had since the eighteenth century in the making of judgments and in the pricking of critical pretension For this reason they indicate the role that laughter may still have in criticism today and provide an encouraging precedent for its future

The Top Books of the Year How To Read Literature By Terry Eagleton The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have charmed audiences this year. How To Read Literature By Terry Eagleton : Colleen Hoover "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover masterfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. How To Read Literature By Terry Eagleton : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
