**PONS Wörterbuch für Schule und Studium** Marieluise Schmitz, 2006      **Curating Lived Islam in the Muslim World** Iftikhar H. Malik, 2021-06-17 Beginning with the medieval period this book collates and reviews first hand scholarship on Muslims in the Middle East and South Asia as noted down by eminent British travellers sleuths and observers of lived Islam The book foregrounds the pre colonial and pre Orientalist phase and locates the multi disciplinary of Britain s relationship with Muslims over the last millennium to demonstrate a multi layered interface Fully sensitive to a gender balance the book focuses on specially selected individuals and their transformative experiences while living and working among Muslims Examining the writings of male and female authors including Adelard Thomas Coryate Mary Montagu and Fanny Parkes the book analyses their understanding of Islam Moreover the author explores the works of a salient number of representative colonial British women to move away from the imperious wives stereotype and shed light on gender and Islam in Near East and South Asia by illustrating the status of women tribal hierarchies historic and architectural sites and regional politics Going beyond familiar views about colonialism travel writings and memsahibs without losing sight of the complex relations between Britain and Asian Muslims this book will be of interest to academics working on British history Imperial history the study of religions Shi i Islam Islamic studies Gender and the Empire and South Asian Studies      **A Cultural History of the Senses in the Renaissance** Herman Roodenburg, 2014-10-23 We know the Renaissance as a key period in the history of Europe It saw the development of court and urban cultures witnessed the first global voyages of discovery and gave rise to the Reformation and Counter Reformation It also started with the invention of oil painting linear perspective and moveable type all visual technologies Does that mean as has been suggested that the Renaissance stands for the ascendancy of the eye If so then what happened to the sensory extremes which the famous Dutch historian Johan Huizinga still perceived in the 15th century Did they simply disappear Or is there another history to be told a history of a surprising continuity not only of the sense of hearing but also of the lower senses those of taste smell and touch And was the Renaissance not first and foremost a time of deep sensory anxiety This volume assembling nine outstanding specialists seeks to answer these questions while offering a lively and sensational portrait of the period A Cultural History of the Senses in the Renaissance presents essays on the following topics the social life of the senses urban sensations the senses in the marketplace the senses in religion the senses in philosophy and science medicine and the senses the senses in literature art and the senses and sensory media      **The Literary World** ,1850      *Worldly Desires* Brian Hu, 2017-07-03 Explores how internet use empowers Arab citizens      Cultural Policy and Industries of Identity Devin Beauregard, 2018-02-21 This book explores the cultural policies of sub states with strong nationalist inclinations in particular Qu bec Scotland and Catalonia and their trend in recent years towards promoting and supporting the cultural industries as a means of not just preserving their respective cultural identities but of growing them This represents a paradigm shift from the traditional discourse around cultural policy which

often posits that concepts of identity fall under the purview of heritage institutions and organizations not that of industries Drawing on the work of Boltanski and Th venot notably their economies of worth framework this book develops a typological analysis of cultural policy Specifically this book seeks to fill a gap in the cultural policy and cultural studies literature where identity and the cultural industries are concerned expanding on the role of the cultural industries in the development of identity and the implications it has for cultural policy

**The UK 'at Risk'** Jens O. Zinn,2019-07-17 This book presents a case study of the proliferation of at risk language in The Times news coverage from 1785 to 2009 illuminating the changing social experience of risk Zinn presents an historical examination of the forces which have shaped the language of risk over time and considers how linguistic developments in recent decades are underpinned by issues such as cultural and structural transformations the management of infectious and chronic diseases and climate change He also explores changes in the public sphere including the production of the news Based on an interdisciplinary research project which combines linguistic research tools with sociological analysis of the social contexts the book contributes to a better understanding of how at risk has become a defining feature of the UK in recent decades and one which permeates all kinds of social domains This research will be a point of reference for students and scholars engaging with risk studies from various disciplines including sociology media studies history and socio linguistics

*Popular Science* ,1923-11 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better

The Nature and Enforcement of Choice of Court Agreements Mukarrum Ahmed,2017-10-05 PRAISE FOR THE BOOK This constitutes a work of impressive scholarship that will become a major reference point for future discourse on choice of court agreements Dr Ahmed advances a firm thesis in a lucid manner that will satisfy both academics and practitioners The discussion is supported by a monumental foundation of underpinning research Ahmed s monograph throughout shows clear understanding of underlying substantive laws and in Chapter 11 displays a refreshing willingness to engage in intelligent speculation on the implications of Brexit Professor David Milman University of Lancaster The book is an excellent attempt to understand the theoretical underpinnings of choice of court agreements in private international law Anyone with an interest in the theory and practice of choice of court agreements in particular in mechanisms for their enforcement should read this book They will find much of value by doing so Professor Paul Beaumont University of Aberdeen from the Series Editor s Preface This book examines the fundamental juridical nature classification and enforcement of choice of court agreements in international commercial litigation It is the first full length attempt to integrate the comparative and doctrinal analysis of choice of court agreements under the Brussels I Recast Regulation the Hague Convention on Choice of Court Agreements Hague Convention and the English common law jurisdictional regime into a theoretical framework In this regard the book analyses the impact of a multilateral and regulatory conception of private international law on the private law enforcement of

choice of court agreements before the English courts In the process it both pre empts and offers innovative solutions to issues that may arise under the jurisprudence of the emergent Brussels I Recast Regulation and the Hague Convention The need to understand the nature and enforcement of choice of court agreements before the English courts from the perspective of the EU private international law regime and the Hague Convention cannot be understated This important new study aims to fill an existing gap in the literature in relation to an account of choice of court agreements which explores and reconnects arguments drawn from international legal theory with legal practice However the scope of the work remains most relevant for cross border commercial lawyers interested in crafting pragmatic solutions to the conflicts of jurisdictions **Global**

**Communication** Karin Wilkins, Joe Straubhaar, Shanti Kumar, 2013-09-11 This volume interrogates what global means in the context of communication and who benefits from global communication practices and industries Emerging scholars contribute their unique perspectives in communication scholarship charting innovative directions for research that connects empirical evidence with pressing questions of social significance This critical reflection leads to considering problems that result from the way global communication becomes mobilized in the practice of journalism and development as well as the ICT industry Global Communication defines the term globalization through understanding the cultural geography of global regional national and local media Critical evaluations of media production distribution and consumption practices within cultural contexts offer insights into how people mediate the global Chapters draw attention to communications in Latin America the Arab World and South Asia complicating territorial boundaries and exploring how local audience and industry practices work within global as well as local configurations **How Trump and the Christian Right Saved LGBTI**

**Human Rights** Cynthia Burack, 2022-08-01 During the Obama administration Christian conservatives insisted that securing human rights for LGBTI people abroad diminished human rights protections for people of faith During the 2016 presidential election the Christian right backed Donald Trump and demanded an end to sexual orientation and gender identity SOGI foreign policy Did the Trump administration move to terminate US advocacy for SOGI human rights Did Christian conservative US officials and elites do everything in their power to publicize curb defund and undermine US support for SOGI If not spoiler alert they did not why not Analyzing SOGI human rights and religious freedom foreign policy How Trump and the Christian Right Saved LGBTI Human Rights reveals the indifference mendacity and political interests at play in Trump s alliance with Christian right elites

*Diebstahl und Raub in den Isländersagas* Daniela Hahn, 2020-09-21 Diebstahl und Raub sind ebenso wie Gaben reziproke Handlungen mit vielf ltigen literarischen Einsatzm glichkeiten Obwohl widerrechtliche Aneignungen schon auf den ersten Blick zu den zentralen Themen einer Wikingerliteratur z hlen wurden diese Verbrechen von der Sagaforschung bisher kaum beachtet Sie funktionieren jedoch nicht nur als Einfallstore in die Erz hlwelt der Isl ndersagas und deren narrativen Verfahren sondern gew hren auch Blicke auf die zugeh rigen Wertvorstellungen Die Isl ndersagas erz hlen von den ersten Generationen die nach der Besiedelung Islands gemeinsam eine

neue Gesellschaft formen Um deren wichtigste Maßstäbe Ansehen und Ehre zu erreichen und zu stabilisieren müssen sämtliche Angriffe auf Person und Besitz angemessen vergolten werden Heimlicher Diebstahl und offener Raub fordern die Siedlergesellschaft heraus eine Neubewertung von Status und Ansehen aller Parteien anzustellen Diese Verbrechen funktionieren damit als Kristallisationspunkte der Handlungsstränge und lassen die Eigenschaften der erzählten Welt hervortreten Dieses Buch will die geheimnisvolle Komplexität der Diebstahle erschließen und damit ein Fenster in die Vorstellungswelt der Isländersagas öffnen *The Daily Crimson*, 1885 *The Futurist Files* Iva Glisic, 2018-10-26 Futurism was Russia's first avant garde movement Gatecrashing the Russian public sphere in the early twentieth century the movement called for the destruction of everything old so that the past could not hinder the creation of a new modern society Over the next two decades the protagonists of Russian Futurism pursued their goal of modernizing human experience through radical art The success of this mission has long been the subject of scholarly debate Critics have often characterized Russian Futurism as an expression of utopian daydreaming by young artists who were unrealistic in their visions of Soviet society and naïve in their comprehension of the Bolshevik political agenda By tracing the political and ideological evolution of Russian Futurism between 1905 and 1930 Iva Glisic challenges this view demonstrating that Futurism took a calculated and systematic approach to its contemporary socio political reality This approach ultimately allowed Russia's Futurists to devise a unique artistic practice that would later become an integral element of the distinctly Soviet cultural paradigm Drawing upon a unique combination of archival materials and employing a theoretical framework inspired by the works of philosophers such as Lewis Mumford Karl Mannheim Ernst Bloch Fred Polak and Slavoj Žižek *The Futurist Files* presents Futurists not as blinded idealists but rather as active and judicious participants in the larger project of building a modern Soviet consciousness This fascinating study ultimately stands as a reminder that while radical ideas are often dismissed as utopian and impossible they did and can have a critical role in driving social change It will be of interest to art historians cultural historians and scholars and students of Russian history **State of the World 2010** Worldwatch Institute, 2013-07-04 Many of the environmental and social problems we face today are symptoms of a deeper systemic failing a dominant cultural paradigm that encourages living in ways that are often directly counter to the realities of a finite planet This paradigm typically referred to as consumerism has already spread to cultures around the world and has led to consumption levels that are vastly unsustainable If this pattern spreads further there will be little possibility of solving climate change or other environmental problems that are poised to dramatically disrupt human civilization It will take a sustained long term effort to redirect the traditions social movements and institutions that shape consumer cultures towards becoming cultures of sustainability These institutions include schools the media businesses and governments Bringing about a cultural shift that makes living sustainably as natural as a consumer lifestyle is today will not only address urgent crises like climate change it could also tackle other symptoms like extreme income inequity obesity and social isolation that are not typically seen as

environmental problems State of the World 2010 paints a picture of what this sustainability culture could look like and how we can and already are making the shift

*The Many Worlds of Anglophone Literature* Silvia Anastasijevic, Magdalena Pfalzgraf, Hanna Teichler, 2024-01-11 On what terms and concepts can we ground the comparative study of Anglophone literatures and cultures around the world today What if anything unites the novels of Witi Ihimaera the speculative fiction of Nnedi Okorafor the life writings by Stuart Hall and the emerging Anglophone Arab literature by writers like Omar Robert Hamilton This volume explores the globality of Anglophone fiction both as a conceptual framing and as a literary imaginary It highlights the diversity of lives and worlds represented in Anglophone writing as well as the diverse imaginations of transnational connections articulated in it Featuring a variety of internationally renowned scholars this book thinks through Anglophone literature not as a problematic legacy of colonial rule or as exoticizing commodity in a global literary marketplace but examines it as an inherently transcultural literary medium Contributors provide new insights into how it facilitates the articulation of divergent experiences of modernity and the critique of hierarchies and inequalities within among and beyond post colonial societies

**Muslim Youth in the Diaspora** Pam Nilan, 2017-02-17 In a world where the term Islam is ever increasingly an inaccurate and insensitive synonym for terrorism it is unsurprising that many Muslim youth in the West struggle for a viable sense of identity This book takes up the hotly debated issue of Muslim youth identity in western countries from the standpoint of popular culture It proposes that in the context of Islamophobia and pervasive moral panic young Muslims frame up their identity in relation to external conditions that only see good and bad Muslims on both sides of the ideological fence between Islam and the West Indeed by attempting to break down the good versus bad Muslim dichotomy that largely derives from western media reports as well as political commentary Muslim Youth in the Diaspora Challenging Extremism through Popular Culture will enlighten the reader It illuminates the way in which diasporic Muslim youth engage with and are affected by the radical Islamist meta narrative It examines their popular culture and online activity their gendered sense of self and much more This original book will be of interest to students and scholars interested in the fields of sociology cultural studies and social anthropology It offers a particular focus on Islam for research in youth studies youth culture political radicalisation and religious identity It will also be relevant to the sector of youth and social work where practitioners seek to build cultural bridges with a new generation

**The Concept of the Employer** Jeremias Prassl, 2015 The concept of the employer has been surprisingly ignored in employment and corporate law leaving protective norms unable to grapple with modern work arrangements This book scrutinises the received concept of a unitary employer providing a functional reconceptualization as a framework for future arguments and coherent judicial decision making
