Music: The Business Ann Harrison,2011-06-30 This essential and highly acclaimed guide now updated and revised in its fifth edition explains the possibilities and pitfalls of the British music industry from the developments in new media privacy sponsorship and sampling to the expanding role of the internet and the dominance of digital music Drawing on her extensive experience as a media lawyer Ann Harrison offers a unique expert opinion on the deals the contracts and the business as a whole She examines in detail the changing face of the music business and provides absorbing case studies of huge stars such as Robbie Williams Ms Dynamite and Elvis Presley Fascinating practical and comprehensive this is the bible for the music industry and indispensable reading for any musical entrepreneur

Beyond Chord Melody, Volume One Stan Ayeroff,2025-08-07 It is satisfying to play a piece of music that sounds great on just one guitar Beethoven said The guitar is a miniature orchestra in itself Beyond Chord Melody concentrates on the advanced concepts that distinguish the beginning guitarist from someone on the road to mastering this style of playing Volume 1 prepares you to play the arrangements in Volume 2 It contains 490 examples and exercises along with note by note recordings of all the material that illustrate the concepts used in creating the arrangements There is an emphasis on how to get a good sound while playing solo A lot of attention is spent on fingerings Sometimes unusual fingerings can achieve a musical goal that once seemed unattainable You will also learn about the great solo guitar players arrangers and singers as well as cover songs to listen to for inspiration There is excitement satisfaction and the pure pleasure of becoming proficient in arranging for and playing solo guitar Stick with it it s a worthwhile endeavor

Hit Songs, 1900-1955 Don Tyler,2007-04-16 This is a chronology of the most famous songs from the years before rock n roll The top hits for each year are described including vital information such as song origin artist s and chart information For many songs the author includes any web or library holdings of sheet music covers musical scores and free audio files An extensive collection of biographical sketches follows providing performing credits relevant professional awards and brief biographies for hundreds of the era s most popular performers lyricists and composers Includes an alphabetical song index and bibliography

Global Culture/Individual Identity Gordon Mathews,2002-09-11 Most people still think of themselves as belonging to a particular culture Yet today many of us who live in affluent societies choose aspects of our lives from a global cultural supermarket whether in terms of food the arts or spiritual beliefs So if roots are becoming simply one more consumer choice can we still claim to possess a fundamental cultural identity Global Culture Individual Identity focuses on three groups for whom the tension between a particular national culture and the global cultural supermarket is especially acute Japanese artists American religious seekers and Hong Kong intellectuals after the handover to China These ethnographic case studies form the basis for a theory of culture which we can all see reflected in our own lives Gordon Mathews opens up the complex and debated topics of globalization culture and identity in a clear and lively style
