over 1 300 Afghan civilians already killed in 2019 it is imperative that Taliban militants and the Afghan government finally make peace so that humanitarian disaster can be averted The Afghan Taliban has the power to end the conflict but is unwilling to do so as still no agreement has been reached to end the 18 year war Taliban militants continuing to bicker with US officials while Afghanistan descends into chaos death and destruction Also human rights defenders in Afghanistan are suffering relentless attacks intimidation and harassment amid escalating violence the NGO Amnesty International has reported a damning report castigating both the government and armed groups including the Taliban and Islamic State activists and members of civil society organisations having been shot at and killed in attacks that remain uninvestigated by the authorities Hence it is imperative to finally end the 18 year war in Afghanistan current Taliban US Peace efforts being plain and simply insufficient

**Healing the UK Butterfly! - A Study of Inequality, Xenophobia, Economic Disaster and Human Rights Violations in post-brexit Britain** Mark O'Doherty, 2020-02-19 Warnings have been issued by police after thousands of people gathered in west Belfast to protest over the Northern Ireland protocol Police estimated that more than 3 000 people took part Under the protocol in the Brexit withdrawal agreement designed to avoid a hard border on the island of Ireland Northern Ireland in effect remains in the single market and EU customs policy is enforced on goods coming from mainland Britain This year there has been loyalist violence from those who claim their British identity is being brought into question by the arrangements Talks on resolving the impasse over the implementation of the protocol collapsed without agreement So the Brexit Trilemma is causing considerable conflict between Britain and the EU and also between Britain and the United States due to PM Boris Johnson's lack of ability of restoring peace in Ireland and his reluctance of adhering to the Northern Ireland protocol Therefore a referendum on a united Ireland in conjunction with a joint referendum on a united Britain Ireland ought to be implemented to resolve the Brexit Trilemma as well as to end the partitioning of Ireland and making it into one entity again Unless of course the people of the island of Ireland prefer the Status quo However these very important

political issues can only be resolved by truly peaceful democratic means namely a referendum It should also be noted that the founding of the Republic of Ireland was paved with blood with many innocent civilians killed by extremists in the process the Republic of Ireland still being shaky today intensified by the Brexit Trilemma However the Tudor conquest of Ireland by Henry VIII who was declared King of Ireland in 1542 was also paved with blood when the polity of Gaelic Ireland was largely destroyed So there is a bit of catching up to do when it comes to resolving Irish British political issues by truly peaceful democratic means namely a referendum on a united Ireland as well as a united Britain Ireland Both of these possible political solutions would have their merits Such as ending the partitioning of Ireland and making it into one entity again so that peace and harmony can be manifested in Ireland and Britain To resolve the political crisis in Ireland and Britain a referendum with three choices ought to be implemented on a united Ireland a united Britain Ireland or to remain with the Status quo so that the Brexit Trilemma can finally be resolved
