

# CRIMINAL JUSTICE

A classical statue of Lady Justice, blindfolded and holding scales of justice in her right hand and a sword in her left. The statue is positioned on the left side of the cover, with its body and arms extending across the middle. The scales are held high in the right hand, and the sword is held in the left hand. The statue is made of a light-colored material, possibly marble or bronze, and is set against a dark blue background.

**Ebook: Sociology: A Brief Introduction** Schaefer, 2014-10-16

**Ebook Sociology A Brief Introduction** *The Dual Penal State* Markus D. Dubber, 2018-08-23 In *The Dual Penal State* Markus Dubber addresses the rampant use of penal power in Western liberal democracies The interference with the autonomy of the very persons upon whose autonomy the legitimacy of state power is supposed to rest is systemically normalized rather than continuously scrutinized The fundamental challenge of the penal paradox the prima facie illegitimacy of modern punishment remains unaddressed and unresolved Focusing on the United States and Germany and drawing on his influential account of the patriarchal origins of police power Dubber exposes the persistence of a two sided criminal justice regime the dual penal state The dual penal state combines principled punishment of equals under the rule of law on one side with punitive discipline of others under the rule of police on the other Slavery has long played a central role in drawing the line between the two sides of the dual penal state In Europe the slave appears in the classic and still foundational accounts of liberal punishment from Beccaria to Kant as the paradigmatic other beyond the protection of law not a legal subject but a mere object of the master s or the state s discretionary discipline In America the patriarchal power to police portrays the continuum from the antebellum slaveholder s whipping of his slaves in private and the racial terror perpetrated by slave patrols in public to the apartheid regime of Jim Crow and the treatment of prisoners as slaves of the state and eventually to the late 20th century s systemic racial violence of the war on crime and the widespread killing of Black suspects by an increasingly militarized and armed police force that triggered the global Black Lives Matter movement
