Corporate Social Responsibility – Sustainable Business Rae Lindsay, Roger Martella, 2020-06-17 In a dramatic departure from its voluntary origins corporate social responsibility CSR is rapidly shifting to hold multinational companies accountable for more than traditional shareholder performance This CSR movement is embracing new environmental social and governance ESG frameworks that both promote global sustainability goals and enhance accountability for negative impacts businesses can have on planet and people This collection of essays by leading businesspeople international civil servants legal practitioners academics and other experts offers a forward looking and pragmatic perspective that illuminates the major themes in this movement towards increasingly sustainable transparent and accountable business practices The collection shows how CSR has evolved to account for societal pressures environmental climate change and human rights impacts international policy imperatives and the practical challenges of regulating commercial activity that transcends borders The chapters offer an in depth examination of current issues including international frameworks and multistakeholder initiatives catalysing foundational change the shifting emphasis on corporate imperatives to avoid harm to third parties trends in CSR focused on assuring the planet s future sustainability and

social stability regulatory initiatives around the globe including Europe North America Asia and Africa and extended accountability for activities of corporate group members and supply chains The pressure and business case for companies to incorporate CSR into corporate governance is intensifying with each quarter shareholder meeting and regulatory agenda The integration of CSR and new ESG frameworks into multinational corporate strategy and operations is key to sustainable business models that can generate long term value for the organization and all stakeholders Their acceptance as cornerstones of 21st century business practice appears inevitable Taking full account of the imperative for companies and their lawyers to grapple with the practical and legal challenges in this area this volume is an invaluable and pragmatic addition to the practitioners toolbox at this important juncture in an ever more dynamic field **CSR and Sustainability**

Michael Hopkins,2022-04-26 CSR and Sustainability promotes the need for social responsibility and sustainability and highlights their link with the big issues of society It shows how science and positive thinking by humankind can prevent oft vouched disasters due to human rights violation global warming growing income inequality relative poverty racism gender discrimination and continuing absolute poverty **Legal Approaches and Corporate Social Responsibility** Adaeze Okoye,2016-12-08 From the late 20th Century a catalogue of high profile disasters and controversies has drawn attention to the changing relationship between corporations and society This is taking place against the context of globalisation and this change has become the driving force for demands that corporations become socially responsible Corporate social responsibility CSR has therefore emerged as a concept which attempts to encapsulate these demands for social responsibility Yet at the heart of CSR is the debate about the role and relevance of law This book will explore the proposition that CSR is a valid legal enquiry and will suggest a law jobs approach which offers a potential general analytical perspective for examining such fluid concepts such as CSR in law This approach is innovative because of the insistence of some users of CSR on placing law outside the parameters of CSR or giving it a very limited role however Okoye argues here that the very nature of CSR as seeking legitimacy for corporate power pushes to the fore the question of what role law can play Law is an essential and important aspect of legitimacy and thus this work explores a legal theoretical approach that holds potential for a legal framework of CSR This interdisciplinary book will be of great interest to students and scholars of corporate law and business studies in general **A Comprehensive Guide to Greenwashing Phenomena, Contexts, and Trends** Lucia

Gatti,Ludovico Giacomo Conti,Peter Seele,2025-02-12 This is an open access title available under the terms of a CC BY NC ND 4 0 License It is free to read download and share on Elgaronline com Green communication can improve a firm s reputation and performance regardless of their genuine green conduct This book investigates the greenwashing phenomenon and maps how firms mislead consumers by not delivering on their environmental promises **CSR and Socially Responsible Investing Strategies in Transitioning and Emerging Economies** Kuna-Marszałek, Anetta,Kłysik-Uryszek, Agnieszka,2020-01-17 One of the most important activities of enterprises today is responsible entrepreneurship Corporate

social responsibility CSR activities can help to forge a stronger bond between employees and corporations can boost morale and can help both employees and employers feel more connected with the world around them Moreover the growing importance of this concept results from the fact that it is perceived as an effective tool for increasing competitiveness improving the image of the company or contributing to the generation of higher profits In today s world an active commitment to social responsibility is becoming more common for a company CSR and Socially Responsible Investing Strategies in Transitioning and Emerging Economies is an essential reference source that identifies the scale and scope of implementation of CSR and socially responsible investing strategies and standards in companies operating in different transitioning and emerging economies as well as assessing the global effects of these activities Featuring research on topics such as economic growth responsible investing and business ethics this book is ideally designed for managers executives directors corporate professionals government officials industry leaders academicians students and researchers in the fields of international economics international business marketing finance management and public relations Global Corporate Citizenship Anuradha Dayal-Gulati,Mark Finn,2007-09-04 Looks at issues of corporate responsibility globally at companies in developing countries facing important challenges within their own countries **The Routledge Companion to Corporate Social Responsibility** Thomas Maak,Nicola Pless,Marc Orlitzky,Sukhbir Sandhu,2021-08-25 While the concept and domain of Corporate Social Responsibility CSR are not new its beginnings can be tracked back to the 1960s its scope urgency and relevance have shifted dramatically in recent years CEO responses show that the majority of business leaders understand that they operate in an environment of contested values and that stakeholders expect companies to do better and more However many corporate incentive systems are not in sync with societal norms and expectations Moreover grand challenges such as climate change and global pandemics and growing interconnectedness shed light on the fault lines of value creation through complex supply chain systems exposing unacceptable working conditions modern slavery and the environmental consequences of highly distributed production at any cost As a consequence corporate social responsibility has become a widely accepted common denominator of the role and responsibilities of business in society ranging from core functions such as health safety and environment standards to governance and recognition of stakeholders supply chain design and corporations stand on climate change and its responsibility to future generations This volume assembles state of the art scholarship from leading scholars in the field and enables a full range view of CSR from its roots normative foundations and institutional perspectives to matters of stakeholding the global value chain social innovation and future directions The Routledge Companion to Corporate Social Responsibility represents a prestige reference work providing an overview of the subject area of CSR for academics researchers postgraduate students as well as reflective practitioners **Business and Sustainable Development in Africa** Uwafiokun Idemudia,Francis Xavier Dery Tuokuu,Tahiru Azaaviele Liedong,2022-03-30 The book offers new critical insights into the relationship between corporate social responsibility CSR

and sustainable development in Africa The extent to which CSR initiatives can contribute to sustainable development in Africa remains debatable This book examines in a very clear structure how when and whether CSR initiatives are able to contribute to the realization of the sustainable development goals peace and environmental sustainability at the micro levels of society It also explores some macro level issues such as the relationship between taxation and CSR CSR and human rights and CSR and public governance and in so doing challenges existing CSR dogmas With themes aligned with the UN Sustainable Development Goals SDGs this book provides useful practical guidance for policymakers and business leaders seeking to better understand the strength and limitations of CSR as a vehicle for advancing sustainable development in Africa It will also appeal to scholars researchers and students of African studies development studies international business strategic management and business and society

Nachhaltigkeit durch Transparenz? Max Kolter, 2023-05-30 Unternehmen sollen nachhaltiger werden darauf zielt die 2014 erlassene CSR Richtlinie der EU ab Sie verpflichtet grosse Unternehmen jährlich über ihren ökologischen und sozialen Fussabdruck zu berichten Bis heute ist wenig geklärt wie diese nichtfinanziellen Berichtspflichten zu Verhaltensanpassungen der Unternehmen beitragen sollen und ob sie das leisten können Dem widmet sich Max Kolter in seiner interdisziplinären Untersuchung die auf Erkenntnisse der Informationsökonomik der Wirtschaftssoziologie und der Sozialpsychologie zurückgreift Er analysiert die Berichtspflichten einerseits als Instrument einer indirekten marktbasierenden Verhaltenssteuerung andererseits als Versuch die Unternehmen und ihre Stakeholder zu nudgen Das Steuerungspotenzial der CSR Richtlinie wird sichtbar wenn man sie ins Verhältnis zu neueren Rechtsakten wie der Taxonomie nachhaltiger Wertpapiere oder eines EU Lieferkettengesetzes setzt
