**Contracts: Cases and Commentaries** Stephanie Ben-Ishai, 2018

**Aspiration and Reality in Legal Education** David Sandomierski, 2020-04-09 Using extensive and novel new research this book explores one of the long standing challenges in legal education the prospects for bringing legal theory into the training of future lawyers

*Case and Comment*, 1894

**Contract** Ian Gordon Farlam, E. W. Hathaway, G. F. Lubbe, C. M. Murray, 1988-01-01

*The Choice Theory of Contracts* Hanoch Dagan, Michael Heller, 2017-04-17 This concise landmark in law and jurisprudence offers the first coherent liberal account of contract law The Choice Theory of Contracts answers the field's most pressing questions what is the freedom in freedom of contract What core values animate contract law and how do those values interrelate How must the state act when it shapes contract law Hanoch Dagan and Michael Heller two of the world's leading private law theorists show exactly why and how freedom matters to contract law They start with the most appealing tenets of modern liberalism and end with their implications for contract law This readable engaging book gives contract scholars teachers and students a powerful normative vocabulary for understanding canonical cases refining key doctrines and solving long standing puzzles in the law

**Contracts** John Philip Dawson, William Burnett Harvey, Stanley D. Henderson, Douglas G. Baird, 2013

*Cases and Commentary on Tort* Barbara Harvey, John Marston, 2009-03-19 This book provides a mainstream selection of cases on tort together with statutes linked by commentary The commentary places the extracts in context and points to other cases for contrast and comparison

A Theory of Contract Law Peter A. Alces, 2011 In the past few decades scholars have offered positive normative and most recently interpretive theories of contract law This title confronts the leading interpretive theories of contract and demonstrates their interpretive doctrinal failures

Contract Ian Gordon Farlam, E. W. Hathaway, G. F. Lubbe, Christina Murray, 1988 The 3rd edition of Farlam and Hathaway's popular case book on the law of contract builds an extensive series of notes central materials and commentary upon its solid foundation of cases

**Law of Contract in Hong Kong** Stephen Hall, 2019

**Contracts** John P. Dawson, 2003

**Contract Law** Philip H. Clarke, Julie Clarke, 2012 Contract Law introduces students to the fundamental principles theories and arguments in contract law It provides a carefully selected collection of cases statutes and materials with insightful commentary designed to give students a thorough understanding of the subject The commentary is clearly expressed and easy to understand and provides an accessible introduction to the law of contract without being too simplistic International perspectives are included in each chapter and show a comparative analysis of Indian and Chinese contract law This provides students with an insight into the law of major Australian trading partners This

will help to inform and educate Australian students by introducing them to the law in some other key jurisdictions and by improving their understanding of Australian law and their analytical skills by enabling them to compare and contrast our law with that in those regions The text covers the law dealing with international contracts and incorporates a broad range of material including US examples      *A Commentary on the Law of Contracts* Francis Wharton,1882      Commentaries on European Contract Laws Nils Jansen,Reinhard Zimmermann,2018-07-12 The book provides rule by rule commentaries on European contract law general contract law consumer contract law the law of sale and related services dealing with its modern manifestations as well as its historical and comparative foundations After the collapse of the European Commission s plans to codify European contract law it is timely to reflect on what has been achieved over the past three to four decades and for an assessment of the current situation In particular the production of a bewildering number of reference texts has contributed to a complex picture of European contract laws rather than a European contract law The present book adopts a broad perspective and an integrative approach All relevant reference texts from the CISG to the Draft Common European Sales Law are critically examined and compared with each other As far as the *acquis commun* ie the traditional private law as laid down in the national codifications is concerned the Principles of European Contract Law have been chosen as a point of departure The rules contained in that document have however been complemented with some chapters sections and individual provisions drawn from other sources primarily in order to account for the quickly growing *acquis communautaire* in the field of consumer contract law In addition the book ties the discussion concerning the reference texts back to the pertinent historical and comparative background and it thus investigates whether and to what extent these texts can be taken to be genuinely European in nature ie to constitute a manifestation of a common core of European contract law Where this is not the case the question is asked whether and for what reasons they should be seen as points of departure for the further development of European contract law      *Text, Cases and Materials on Contract Law* Richard Stone,James Devenney,2014-03-26 Written by leading authors in the field this clear and highly accessible volume provides full coverage of the topics commonly found in the contract law syllabus alongside up to date illustrative case examples and stimulating commentary Composed of approximately one quarter authors commentaries and three quarters cases and materials including academics articles and extracts from books and Law Commission papers this book takes account of a variety of theoretical perspectives including economic relational and empirical conceptions of the law This book facilitates the development of personal study skills and encourages readers to engage with the leading academic commentaries in the area Features to support your learning include chapter introductions highlight the salient features under discussion and signpost topics to guide readers through this comprehensive text additional reading listed at the end of each chapter to assist further study and independent research clear and attractive text design that differentiates between the authors commentaries and the materials a companion website that provides skills materials and self assessment tasks to help further your learning The

range of material covered straightforward style and targeted updates to this third edition make Text Cases and Materials on Contract Law a comprehensive and invaluable resource for all undergraduate students of contract law      Contract Law: Text, Cases, and Materials Ewan McKendrick, 2012-07-19 This is an account of the modern law of contract by a leading authority in the field Through this fresh approach to the subject students should obtain a firm understanding of the central doctrines and the controversies associated with them      **Contract Law in South Africa** Louis F. van Huyssteen, Catherine J. Maxwell, 2017-07-20 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of the law of contracts in South Africa covers every aspect of the subject definition and classification of contracts contractual liability relation to the law of property good faith burden of proof defects penalty clauses arbitration clauses remedies in case of non performance damages power of attorney and much more Lawyers who handle transnational contracts will appreciate the explanation of fundamental differences in terminology application and procedure from one legal system to another as well as the international aspects of contract law Throughout the book the treatment emphasizes drafting considerations An introduction in which contracts are defined and contrasted to torts quasi contracts and property is followed by a discussion of the concepts of consideration or cause and other underlying principles of the formation of contract Subsequent chapters cover the doctrines of relative effect termination of contract and remedies for non performance The second part of the book recognizing the need to categorize an agreement as a specific contract in order to determine the rules which apply to it describes the nature of agency sale lease building contracts and other types of contract Facts are presented in such a way that readers who are unfamiliar with specific terms and concepts in varying contexts will fully grasp their meaning and significance Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in South Africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of comparative contract law      *Key Case Law Rules for Government Contract Formation* Patrick Butler Lt. Col, 2014-09-01 Go Beyond the FAR The guidance contained in the almost 2000 pages of the Federal Acquisition Regulation and the various agency supplements are just a part of the resources government acquisition professionals need to do their jobs effectively Accessing and understanding case law is equally important to a thorough understanding of government contracting Legal decisions explain the Government Accountability Office's and the courts' views on how procurement statutes and regulations apply in a wide range of situations Case law also gives potential bid protesters and agencies a way to gauge the likely outcome of a protest Until now it has been difficult to find and understand the legal decisions that could be relevant to a particular situation Key Case Law Rules for Government Contract Formation changes that by organizing and explaining the most important protest grounds in a readily accessible and comprehensible way With an emphasis on more recent cases the book is organized around the key protest grounds such as pricing issues allegations that the government wrongfully

prevented competition or improper sealed bidding procedures Bridging the gap of understanding between the legal and the contracting communities this book is a much needed addition to the essential resources for acquisition professionals
