Drew Noble Lanier

Courts Judges And Politics An Introduction To The Judicial Process 5th Edition:

The Judicial Branch Kermit L. Hall, 2005 Presents a collection of essays that provide an examination of the judicial branch of the American government including its history its impact and its future *The Pioneers of Judicial Behavior* Nancy L. Maveety, 2009-11-16 Examines the contributions of the pioneers of research into judicial behavior The Waite Court Donald Grier Stephenson, 2003-11-12 An extensive exploration of the major decisions and personalities of the Supreme Court during the 14 year tenure of Chief Justice Morrison Remick Waite The Waite Court Justices Rulings and Legacy presents a fresh interpretation of the Supreme Court under the tenure of Chief Justice Morrison Remick Waite 1874 1888 An in depth analysis of key decisions demonstrates how the Waite Court confronted such profound issues as the post Civil War rights of African Americans and state regulations intended to cope with rampant industrialization Highlighting the Court's most famous decision *Munn v Illinois* which upheld legislation regulating railroad and grain elevator rates this careful analysis also reviews the Court's unique involvement in the 1876 presidential election electoral predicament Profiles of the 15 justices who served on the Waite Court include extensive descriptions of the five that rank among the most outstanding justices ever to serve on the Supreme Court A Companion to the United States Constitution and Its Amendments John R. Vile, 2021-10-11 The U S Constitution and its 27 amendments including the Bill of Rights is a living document as evidenced by new laws and Supreme Court rulings that with each passing year change how the Constitution's guidelines are interpreted and implemented A Companion to the United States Constitution and Its Amendments is designed to show students just how revolutionary the Constitution was and how relevant it remains today This seventh revised edition of the Companion begins by revisiting the key events leading to the Constitution's ratification including the writing of the Declaration of Independence and the proceedings of the Constitutional Convention then explores the document article by article amendment by amendment to help readers better understand how each section of the document shapes the world we live in today In addition the Companion illuminates how new laws political debates and Supreme Court decisions are continually reshaping our understanding of the Constitution and its role in American life and society including such essential and foundational elements of democracy as voting elections the peaceful transfer of power equality before the law civil rights and liberties and the duties responsibilities and obligations of the nation's three branches of government The Supreme Court Paul Finkelman, 2014-01-15 An insightful chronological by chief justice examination of the Supreme Court that enables students and readers to understand and appreciate the constitutional role the Court plays in American government and society American citizens need to understand the importance of the Supreme Court in determining how our government and society operates regardless of whether or not they agree with the Court's opinions Unfortunately the role and powers of the third branch of government are not well understood by the American public After an introduction and overview to the history of the Supreme Court from 1789 to 2013 this book examines the Court's decisions chronologically by Chief Justice allowing

readers to grasp how the role and powers of the Court have developed and shifted over time The chapters depict the Court as the essential agent of review and an integrated part of the government regardless of the majority minority balance on the Court and of which political party is in the White House or controlling the House or Senate Searching the Law, 3d Edition Frank Bae,Edward Bander,Francis Doyle,Joel Fishman,Paul Richert,2021-12-13

The Psychology of the Supreme Court Lawrence S. Wrightsman,2006-03-16 Examining the psychology of Supreme Court decision making this book seeks to understand almost all aspects of the Supreme Court s functioning from a psychological perspective It addresses many factors of influence including the background of the justices how they are nominated and appointed the role of their law clerks and more *Law and Politics of Constitutional Courts* Stefanus Hendrianto,2018-04-17 This book critically evaluates different models of judicial leadership in Indonesia to examine the impact that individual chief justices can have on the development of constitutional courts It explores the importance of this leadership as a factor explaining the dynamic of judicial power Drawing on an Aristotelean model of heroism and the established idea of judicial heroes to explore the types of leadership that judges can exercise it illustrates how Indonesia s recent experience offers a stark contrast between the different models First a prudential minimalist heroic chief justice who knows how to enhance the Court s authority while fortifying the Court s status by playing a minimalist role in policy areas Second a bold and aggressive heroic chief justice employing an ambitious constitutional interpretation The third model is a soldier type chief justice who portrays himself as a subordinate of the Executive and Legislature Contrary perhaps to expectations the book s findings show a more cautious initial approach to be the most effective The experience of Indonesia clearly illustrates the importance of heroic judicial leadership and how the approach chosen by a court can have serious consequences for its success This book will be a valuable resource for those interested in the law and politics of Indonesia comparative constitutional law and comparative judicial politics

White House Studies Compendium Robert W. Watson,2007 brings together piercing analyses of the American presidency dealing with both current issues and historical events The compendia consists of the combined and rearranged issues of the journal *White House Studies* with the addition of a comprehensive subject index Preface

Guide to the Presidency and the Executive Branch Michael Nelson,2012-08-13 This comprehensive two volume guide is the definitive source for researchers seeking an understanding of those who have occupied the White House and on the

institution of the U S presidency Readers turn Guide to the Presidency and the Executive Branch for its wealth of facts and analytical chapters that explain the structure powers and operations of the office and the president s relationship with Congress and the Supreme Court The fifth edition of this acclaimed reference completes coverage of the George W Bush presidency the 2008 election and the first 3 years of the presidency of Barack Obama This includes coverage of their handling of the economic crisis wars abroad and Obama s healthcare initiatives The work is divided into eight distinct subject areas covering every aspect of the U S presidency and all chapters in each subject area have been revised and updated Origins and Development of the Presidency including constitutional beginnings history of the presidency and vice presidency and presidential ratings Selection and Removal of the President including the electoral process a chronology of presidential elections removal of the president and vice president and succession Powers of the Presidency including the unilateral powers of the presidency and those as chief of state chief administrator legislative leader commander in chief and chief economist The President the Public and the Parties including presidential appearances the president and political parties the president and the news media the presidency and pop culture public support and opinion and the president and interest groups The Presidency and the Executive Branch including the White House Office the Office of the Vice President supporting organizations the cabinet and executive departments presidential commissions and executive branch housing pay and perquisites Chief Executive and Federal Government including the president and Congress the president and the Supreme Court and the president and the bureaucracy Presidents their Families and Life in the White House and Beyond including the daily life of the president the first lady the first family friends of presidents and life after the presidency Biographies of the Presidents Vice Presidents First Ladies This new volume also features more than 200 textboxes tables and figures Major revisions cover the supporting White House organizations and the president s role as chief economist Additional reference materials include explanatory headnotes as well as hundreds of photographs with detailed captions

Judicial Politics in the United States Mark C. Miller, 2018-09-03 *Judicial Politics in the United States* examines the role of courts as policymaking institutions and their interactions with the other branches of government and other political actors in the U S political system Not only does this book cover the nuts and bolts of the functions structures and processes of our courts and legal system it goes beyond other judicial process books by exploring how the courts interact with executives legislatures and state and federal bureaucracies It also includes a chapter devoted to the courts interactions with interest groups the media and general public opinion and a chapter that looks at how American courts and judges interact with other judiciaries around the world *Judicial Politics in the United States* balances coverage of judicial processes with discussions of the courts interactions with our larger political universe making it an essential text for students of judicial politics San Antonio V. Rodriguez and the Pursuit of Equal Education Paul A. Sracic, 2006 An in depth study of school financing examined through the closely decided Supreme Court case that overturned a ruling that found Texas s system for financing its public

schools was unconstitutional signaling the end of an era in the pursuit of equal education for all American citizens

Encyclopedia of the Supreme Court, Second Edition David Schultz, 2021-09-01 Praise for the previous edition concise well written entries Schultz's accessible work will be of use to both undergraduates and the general public recommended for all academic and public libraries Library Journal achieves the goal of presenting a serious overview of the Supreme Court Booklist At its reasonable price this title should be found in every American library public as well as academic It should also be purchased by every high school library no matter how small the school body may be American Reference Books Annual From the structure of the Supreme Court to its proceedings this comprehensive encyclopedia presents the cornerstone of the American justice system Featuring more than 600 A to Z entries written by leading academics and lawyers Encyclopedia of the Supreme Court Second Edition offers a thorough review of critical cases issues biographies and topics important to understanding the Supreme Court Entries include Abortion Capital punishment Citizens United v Federal Election Commission Double jeopardy employment discrimination Federalism Masterpiece Cakeshop v Colorado Civil Rights Commission Obergefell v Hodges police use of force public health and the U S Constitution Thurgood Marshall Title IX and schools United States v Nixon Earl Warren Wiretapping

Judicial Process in America Robert A. Carp, Kenneth L. Manning, Lisa M. Holmes, 2022-03-02 Judicial Process in America Twelfth Edition by Robert Carp Kenneth Manning and Lisa Holmes is a market leading and comprehensive textbook for both academic and general audiences The book explains the link between the courts public policy and the political environment Considering the courts from every level the authors cover judges lawyers litigants and the variables at play in the judicial decision making process the impact of those decisions on American citizens and what the consequences are for the United States today

Of Time and Judicial Behavior Drew Noble Lanier, 2003 This study examines the agenda setting and decision making behavior of the U S Supreme Court from 1888 to 1997 The study finds that economics decisions dominated the Court's docket up until the 1950s when civil liberties cases became more prominent and judicial power decisions remained relatively constant

American Political Scientists Glenn H. Utter, Charles Lockhart, 2002-10-30 This dictionary offers the only comprehensive collection of profiles of American political scientists each of whom contributed significantly to the intellectual development of American political science from its beginnings in the late 19th century to the present This second edition includes 22 new and 110 revised entries reflecting new scholarship that emerged during the 1990s Numerous experts helped the editors develop this consensus group of the 193 political scientists who have made the most important theoretical contributions over the years with attention to varied approaches and the different subfields Alphabetically arranged entries focus on the main ideas and major works by each scholar listing list the most important publications by and about the individual There are numerous cross references to show how the work of one scholar has influenced another in the discipline Appendices list the political scientists by degree granting institutions and by major fields A short bibliography points to important general readings about the profession A

general index makes this major reference easily accessible for broad interdisciplinary research

Supreme Court Nominations, 1789-2005 Denis Steven Rutkus, Maureen Bearden, R. Sam Garrett, 2007 The process of appointing Supreme Court Justices has undergone changes over two centuries but its most basic feature the sharing of power between the President and Senate has remained unchanged To receive a lifetime appointment to the Court a candidate must first be nominated by the President and then confirmed by the Senate An important role also has come to be played midway in the process after the President selects but before the Senate considers by the Senate Judiciary Committee The book provides information on the amount of time taken to act on all Supreme Court nominations occurring between 1900 and the present It focuses on the actual amounts of time that Presidents and the Senate have taken to act as opposed to the elapsed time between official points in the process This book focuses on when the Senate became aware of the President's selection e.g. via a public announcement by the President

The Judicial Branch of Federal Government Charles L. Zelden, 2007-07-12 This volume in ABC-CLIO's About Federal Government set looks at the history and daily operations of the federal judiciary from district courts to courts of appeal to the Supreme Court The Judicial Branch of Federal Government People Process and Politics shows how the federal courts act as interpreters of the law definers of rules and shapers of policy covering the judiciary throughout U.S. history and as it functions today In one concise yet comprehensive resource The Judicial Branch of Federal Government describes the constitutionally ascribed roles and structures of the courts It looks at the men and women who serve on the federal bench who they are and how they are appointed as well as the fascinating relationship of the federal courts with the legislative and executive branches and with the 50 state court systems

Equal Protection Francis Graham Lee, 2003-11-17 An introductory survey of the government's role in America's continuing drive for equality Today's lingering inequalities particularly the American dilemma of racism runs throughout U.S. history Equal Protection provides readers with a historical overview of the controversies over the issue of equality an understanding of how government and particularly the courts and Congress has reacted to these controversies and the role these issues have played in shaping U.S. society This volume follows the push for equal treatment regardless of age gender disabilities economic status or sexual orientation It focuses on legislation such as the Americans with Disabilities Act and political initiatives and movements such as The Great Society the ERA and the War on Poverty Here are American's interpretations of equal rights then and now
