Dear [Mr./Mrs./Ms.] [Manager's Name],

I would like to apply for the advertised post of Civil Engineer listed on [Website Name]. I am currently employed with STR Construction, where I am recognized for driving technical development of sophisticated structures and systems in the structural building and civil engineering fields. I am relied upon for maintaining inventory levels, performing preventive maintenance checks, inspecting and monitoring work areas to ensure safety, and supervising and training project employees, including in-house, external contractors, and sub-contractors. I firmly believe that my knowledge and experience gained as an experienced Civil Engineer will add value to this position and ultimately your organization.

I have also worked with Boston Builder Brothers as a Surveyor Technician where I performed numerous construction duties such as plumbing, completing job hazard assessments, and monitoring weekly quantity reports for soil volumes. I possess prior experience in delivering complex multi-disciplinary projects within highly regulated environments, which has helped me become adept in deploying stable, high quality, and cost-effective structural innovations.

As an ambitious and capable individual, I have gained expertise in almost every corner of the construction profession. I would appreciate the opportunity to join an esteemed and reputable construction firm such as yours.

Please have a look at my enclosed resume for detailed information of my work experience and education. Looking forward to discussing more in person.

Sincerely,

[Your Name]
