The Readers' Advisory Guide to Genre Blends Megan M. McArdle, 2014-09-24 Genre fiction has always been a complex mixture of themes and elements. The increasing popularity of genre blends or fiction that straddles the traditional labels means greater pleasure for readers but a greater challenge for readers advisory. In this informative and entertaining book, McArdle gets library staff up to speed on these engaging titles, showing how such crossover fiction appeals to fanbases of multiple genres. Complete with booklists, summaries, read-alikes, and thorough indexes, this guide covers suspense, fantasy, historical fiction, horror, mystery, romance, and science fiction, as well as non-genre titles that don't neatly fit into any categories. Offers guidance for shelving, displaying, and marketing genre blends. Shows how to make the most of online discovery tools in cataloging these titles. Includes Blend MVPs, a section spotlighting several popular authors who regularly move between genres, and a useful bibliography of additional resources. Providing a unique look at how common genres are often combined, this guide will open up new worlds of fiction to readers, advisors, and those whom they serve.

Hunting Ground Patricia Briggs, 2009-08-25 #1 New York Times bestselling author Patricia Briggs invites readers to follow her into the seductive realm of the Alpha and Omega series. Anne Latham didn't know how complicated life could be until she became a werewolf and was mated to Charles Cornick, the son and enforcer of the leader of the North American werewolves. She didn't know how dangerous it could be either. Anna and Charles have just been enlisted to attend a summit to present Bran's controversial proposition that the wolves should finally reveal themselves to humans. But the most feared Alpha in Europe is dead, set against the plan, and it seems like someone else might be too. When Anna is attacked by vampires using pack magic,

the kind of power only werewolves should be able to draw on Charles and Anna must combine their talents to hunt down whoever is behind it all or risk losing everything

The Raven's Child Thomas E. Sniegowski, 2015-08-04 Thomas E Sniegowski has entranced audiences with his exploration of the Batman universe thrilled fans with his Buffy the Vampire Slayer comics and uncovered the paranormal with his Hellboy spin off series B R P D Now he introduces readers to a mesmerizing dark world filled with monsters where humanity's only hope lies in the bravery of one woman When the Throng came the human race never stood a chance The monsters were simply too strong too numerous It only took a few months for them to take over and leave the few poor souls who survived cowering in terror for years to come But even the monsters fear something the dark goddess known as the Raven's Child Legend says that she alone is destined to destroy the Throng and free those under their cruel power And whoever wields her name and image could become the bane of the Throng and an inspiration to humankind even if she were only a young woman like Carissa Devin who has vowed to reclaim the world for the human race no matter what the cost

Moon Called Patricia Briggs, 2006-01-31 THE FIRST MERCY THOMPSON NOVEL Moon Called is the novel that introduced Patricia Briggs's Mercy Thompson to the world and launched a 1 bestselling phenomenon Mercy Thompson is a shapeshifter and while she was raised by werewolves she can never be one of them especially after the pack ran her off for having a forbidden love affair So she's turned her talent for fixing cars into a business and now runs a one woman mechanic shop in the Tri Cities area of Washington State But Mercy's two worlds are colliding A half starved teenage boy arrives at her shop looking for work only to reveal that he's a newly changed werewolf on the run and desperately trying to control his animal instincts Mercy asks her neighbor Adam Hauptman the Alpha of the local werewolf pack for assistance But Mercy's act of kindness has unexpected consequences that leave her no choice but to seek help from those she once considered family the werewolves who abandoned her In the increasingly crowded field of kick ass supernatural heroines Mercy stands out as one of the best Locus

Fang-tastic Fiction Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings

One Wild Omega: An MPREG Omegaverse Book Kelex, 2019-11-13 From the first moment they met Tanner McCreary and Fitz Walker have always had a love hate relationship One that bordered more on the latter much to the chagrin of Tanner who knew from first glance that Fitz was his alpha For some reason Fitz acted like he wanted absolutely nothing to do with him Even with the scent masking drug Scentex keeping them free an omega's alphas always seemed to sense something in the air when close But that wasn't the case with Fitz So Tanner backed off licked his wounds and figured fate would lead them back together someday Maybe then things would be different Someday came but only made the situation worse Tanner learned they shared a close friend in common another omega one Fitz eventually bedded Brokenhearted Tanner was sure the gods fate or whoever was in charge of binding an alpha and an omega together had gotten it very very wrong His mate wasn't the one apparently Tanner lied to himself saying
