The Bangladesh Liberation War, the Sheikh Mujib Regime, and Contemporary Controversies Caf Dowlah, 2016-10-19 The study provides an in depth up to date and scholarly analysis of the liberation war and the Sheikh Mujib Regime of Bangladesh Situating the emergence of Bangladesh in the broader historical context of the partition of British India in 1947 the study re examines a how Mujib successfully galvanized the legitimate grievances of Bangladeshi people during the united Pakistan period 1947 71 and how a highly successful guerilla warfare of Bangladeshi people led to dismemberment of Pakistan in 1971 with crucial military and political support from neighboring India b how in the post liberation Bangladesh the Mujib regime toyed with contradictory political ideologies of democracy and socialism and eventually ended up with a one party monolithic rule c how in the economic sphere the Mujib regime vacillated between petty bourgeoisie and socialist inclinations by half heartedly pursuing socialization of agriculture and nationalization of industries which resulted in plundering of the economy and plunging of millions of people in famine and near famine situations d how in 1975 the assassination of Mujib and collapse of his ill fated regime that failed to deliver both economically and politically evoked little sympathy from the masses and e how the trial of the killers of Mujib after 21 years of his death and the trial of the collaborators of the liberation war after four decades of the country s liberation war orchestrated by Sheikh Hasina government keep the nation s political discourse still sharply divided

and studies Rabindranath's experiments with drama theatre in the context of the theatre available in nineteenth century Bengal and explores the innovative strategies he adopted to promote his brand of theatre. This approach finds validation in the fact that Rabindranath combined in himself the roles of author, actor, producer, who always felt that without performance his dramatic compositions fell short of the desired completeness. Various facets of his plays as theatre and his own role as a theatre practitioner are the prime focus of this book. This book will be of great interest to students and scholars in Theatre and Performance Studies and most notably those focusing on Indian Theatre and Postcolonial Theatre.

Bangladesh: Social Media Outcries Against the Awami Fascism Bangladesh: Social Media Outcries Against the Awami Fascism, 2022-10-31. This is an edited collection of email comments, FB statuses, WhatsApp texts and YouTube Video Talk Show links with reference to online articles and editorials mostly in the UK based popular and patriotic outlet [www.amaradesh.co.uk](http://www.amaradesh.co.uk) providing a dissident yet an authentic and authoritative narrative of the political scenario of today's Bangladesh under the gag order of the pro Indian Hasina led Awami fascism for about fourteen years now. All contents are critical of the Indianized fascist Awami regime which has banished free press since 2009. All forms of mass media, print or electronic, are in complete control of the fascist lackeys and loyalists who, in their ludicrous and pathetic sycophancy, have sold their souls as Dr Faustus of ancient German legend did to the she devil, the horribly ruling Hasina, who is an unprecedented crime monster and mother of all mafias, as critics would aptly describe her. Given the Hindutva impregnated Modi's immense control and influence on Hasina as she continues to impose her heinous agenda on the Bangladeshi nation, she may be said to have been completely Modi-fied. At the head of a deeply and densely RAW infiltrated rogue regime, Hasina is overly wived by the husband that lies in the highly communal, fanatical and fundamentalist Hindutva India, which has become a Muslim *kabaristan* graveyard as Arundhati Roy would like to put it. Freedom of expression being conspicuous by its absence in the fascist Awami controlled Bangladesh, no independent or neutrally minded patriotic critics, journalists, observers and analysts can write or talk in the mainstream media, which is off-limits to them. They have no choice but to take to social media, and that is also only from abroad, their native country being a place of beastly bondage and brutality under the grip of Gopal and Gestapo Hasina police. The authors of the text material and the speakers on the videos are as brave and brilliant as they are morally upright and well intentioned in constantly exposing and bugging the Hindutva infected evil tyrant, Hazrat Horrible Hyena Hasina and her Awami gangs and goons. Critics and commentators intend to stop her and her surrounding thugs in the party as well as the family dynasty from committing further crimes and criminal misdeeds in terms of widespread looting and plundering, massive election rigging and overwhelming oppression and repression unleashed on the popular political opposition for years. She perpetrated massacres on BDR Jamaat and Hefazat, indiscriminate killings, abductions, mass imprisonment and millions of court cases on more than 3.5 million opponents. Here are some of the recent publications protesting the indescribably horrific Hasina and the myriads of her horrendous misdeeds and mischiefs.
