leading actors My Affair with Art House Cinema Phillip Lopate, 2024-07-02 Phillip Lopate fell hard for the movies as an adolescent. As he matured into an acclaimed critic and essayist, his infatuation deepened into a lifelong passion. *My Affair with Art House Cinema* presents Lopate's selected essays and reviews from the last quarter century, inviting readers to experience films he found exhilarating, tantalizing, and beguiling, and sometimes disappointing or frustrating through his keen eyes. In an essayist's sinuous prose style, Lopate captures the formal mastery, artistic imagination, and emotional intensity of art house essentials like Yasujiro Ozu's *Late Spring*, David Lynch's *Mulholland Drive*, and Andrei Tarkovsky's *Solaris*, as well as works by contemporary filmmakers such as Maren Ade, Hong Sang-soo, Hou Hsiao-hsien, Christian Petzold, Paolo Sorrentino, and Jafar Panahi. Essays explore Chantal Akerman's rigorous honesty, Ingmar Bergman's intimacy, Abbas Kiarostami's playfulness, Kenji Mizoguchi's visual style, and Frederick Wiseman's vision of the human condition. Lopate also reflects on the work of fellow critics including Roger Ebert, Pauline Kael, and Jonathan Rosenbaum. His considered, at times contrarian, critiques and celebrations will inspire readers to watch or rewatch these films. Above all, this book showcases Lopate's passionate advocacy for not only particular films and directors but also the joys and value of a filmgoing culture. **Leonard Maltin's 2013**

Journeys on Screen Louis Bayman, 2018-11-14 Addressing the appeal of the journey narrative from pre cinema to new media and through documentary fiction and the spaces between this collection reveals the journey to be a persistent presence across cinema and in cultural modernity Film Review, 2005 *The Legend of the Vampire Khufu* Raymond Mayotte, 2010-03-12 Travel the last five thousand years in dark shadows along with the Immortal Vampire Khufu as he struggle to exist in the world of mortal men an adventure seen mostly through the eyes of the vampire as he moves through time leaving many historical memories in his wake Excerpts from *The Legend of The Vampire Khufu* As deep wells of darkness envelope a small cemetery and in the shadows of an old tomb the heavy lid of a grave liner slowly begins to stir the lids minute movement causing a muffled scraping sound to echo ever so softly in the stillness From within the liner a hair line crack of blackness appears and slowly begins to widen then long fingers snake out to wrap themselves around the edge of the lid In a sudden movement the lid is shoved back to where it slams against the wet clay like texture of the wall with a dull thud the impact sending dozens of many legged beetles and furry spiders scurrying to find darker places From within the shadowy depths of a casket the naked figure of a young man now slowly arises and steps out onto the damp floor his height unfolding to six feet as he straightens and turns toward two old and rusted iron doors that protect the tomb and his casket while he sleeps through the day With a shudder of his shoulders the man s form changes to that of a large bat that flies up and squeezes out through a wedge shaped hole above the door and into the night After climbing the stairs to her bedroom Karen curls up snug and content on the foot of her bed and begins to read a book However out through the bedroom window she can see the huge fireball of the sun getting ready to set and she watches mesmerized as it slowly sinks out of sight its rays instantly causing the horizon to come ablaze with red and orange like the sky itself is on fire Suddenly a movement below catches her eye and she glances out across the field towards the cemetery only to jump back with a gasp when she sees a dark figure detach itself from the shadows at the rear of the cemetery and move towards the road Immediately she realizes this is the man she saw early the morning before that entered the cemetery and never came out again at least for the next few hours she had watched and once again now she finds herself alone in the house and shivering with cold thankful in her mind that she hasn t put on any lights in the house and it will look dark and empty However she gasps again when the man

stops and glares directly up into the dark bedroom window where she sits her eyes now staring into his that she can see as clear as if he is standing only a few feet from her Now a moan escapes her as she clasps her hands tightly over her mouth to hold back a scream and when she attempts to turn her eyes away from him her ears are filled with the roaring sound of her blood gushing through her veins causing her heart to pound wildly against her ribs Then like someone has been holding her heart in their hand and squeezing the pressure let go when the figure below turns and walks away out of the cemetery
